NEW BRUNSWICK. PROVINCIAL PARLIAMENT. HOUSE OF ASSEMBLY.

This was rather an idle day in the House.

Mr. Fartelow brought down a message from the Governor stating that he will lay before the House such of the papers asked for by Mr. Ritchie as he deems consistent with his duty and the public service.—Mr. Beards ley gave notice of a resolution for establishing annual Parliaments and vote by ballot.—Two bits of no consequence passed in Committee.

—The Initiation question and the discussion; namely Municipal Corporations, Parcella as the Despatches were both put off, as the sion; namely Municipal Corporations, Parcella as the first, and which no man of common sense would ever think of doing,

Mr. Street, the new Attorney General has taken his seat. The usual number of Petitions (five or six hundred) has been present.

Mr. Earle presented two petitions in favor of the Orange Bill.

Queen's (Mr. Barle) when he intended to bring Contingent Bill of last year, of six or seven in the bill to incorporate the Orange Lodges under the consideration of the House. He (Mr. Barba, Robinson and Thomson in Saint John and rie) believed that there were some hon, members that on application, those merchants told him who wished to leave their places for a short time, that the articles purchased from them were others, were absent from ill health, and as it was Gold and Silver pencil cases. This statedesirable that there should be a full House when this bill came up for discussion, he hoped the hon member would intimate the time when it was his bers said they did not believe it, and an adjusted in the hold committee denied it, and several other members said they did not believe it, and an adjusted in the hill committee denied it, and several other members said they did not believe it, and an adjusted in the hill committee denied it, and several other members said they did not believe it. intention to have the bill committed.

February 28th. This morning the several Select Commit

the Colonies.

An exciting debate on the subject of the Popil argression, which occupied the House of Commons for some days, was brought to a close on the 18th, when a motion for leave to bring in a bill on the subject, was decided to bring in a bill on the subject, was decided to bring in a bill on the subject, was decided to bring in a bill on the subject, was decided to bring in a bill on the subject, was decided to bring in a bill on the subject, was decided to bring in a bill on the subject, was decided to bring in a bill on the subject, was decided to bring in a bill on the subject, was decided to bring in a bill on the subject, was decided to bring in a bill on the subject, was decided to bring in a bill on the subject, was decided to bring in a bill on the subject, was decided to bring in a bill on the subject, was decided to bring in a bill on the subject, was decided to bring in a bill on the subject, was decided to bring in a bill on the subject, was decided to bring in a bill on the subject, was decided to bring in a bill on the subject, was decided to bring in a bill on the subject, was decided to bring in a bill on the subject, was decided to bring in a bill on the subject, was decided to bring in a bill on the subject, was decided to bring in a bill on the subject, was decided to bring in a bill on the subject, was decided to bring in a bill on the subject, was decided to bring in a bill on the subject, was decided to bring in a bill on the subject of the English and the subject of the English and the subject of the English and the subject of the Railroad.

And winterer assistance might be given to this scheme by the Province, he hoped that the good propile of St. Andrews, who had the good propile of St. Andrews, who bad the subject of the the good propile of St. Andrews, who that the good propile of St. Andrews, who the limb the good propile of St. Andrews, who the limb the good propile of St. Andrews, who the limb the good propile of St. Andrews and better writing allowance to the free province they carried their point by a majority of only 14. Most of the Irist Members who usually as apport the Government on this occasion, deverted them, and voted with Mr. Plrands and ability far above medicativity, their position. Their leaders were men of talent support the Government on this occasion, deverted them, and voted with Mr. Plrands and desired of the Fostectionists.

The Chancellor of the Exchequer was expected to bring down his budget on 17%. The Chancellor of the Exchequer was expected to bring down his budget on 17%. The Trade and Revenue returns are reported to be even more satisfactory than herecode to be even more satisfactory than herecode to resported, and it is confidently expected, that a committee, and the common desired to be even more satisfactory than herecode to respond the same and the sam

France.—The Government measure, the President's dotation bill, was rejected by a mediately after the reading the Governor's speech on the wasts day of the Sessien, where a majority of 102 votes in a house of 690.— The speeches on both sides were very excitant and the Assembly still becoming wider. A proposal has been made to raise a National Subscription to relieve the President from his embarrassment, but he has publicly stated that he will not accept of any thing procured in this way, although it is quite certain he is

have thrown much additional light on the conduct and position of the present Government.

They are positively commanded not to reduce one of the salaries of the present incumbents on the Civil List, and not to allow any Bill to pass for the granting of Bounties, or the imposing of differential duties. These depatches are all exceedingly well written, they are based upon causes and reasons plausible and potent, but which after all, "rather single-center than satisfy a man." It would seem, therefore, that we must submit to the high sa-The Pope is said to have become greatly They are positively commanded not to reduce This was rather an idle day in the House, laries on the Civil List until the death or rebrought down a message moval of the present incumbents, or rise in

on the Despaches were both put off, as the sion; namely Municipal Corporations, Parturney General was engaged in the Mining ish Schools, and Flective Legislative Council, will all be introduced by the Government next week. The attengement with the Rea great loss of time, they will probably be paid at the end of the Session.

There was a very sharp discussion in the House on the subject of contingencies. Mr Mr. Barbarie enquired of the hon. member for Needham stated that he saw an item in the
