

shortly to be erected near the station, and will include the Customs Offices. The Bank of Montreal, too, will build a costly structure on Barnard Avenue during the coming year.

The Coldstream Packing Co., Ltd., ships a large quantity of fruit and farm produce; and a Farmers' Association assists in the furthering of technical knowledge amongst the many who are interested in Agriculture. Again, the Vernon Fruit Co., Ltd., handles fruit and produce in the city and district, whilst a Board of Trade, composed of the leading business men of the city, looks after the welfare of local business.

A company of The Okanagan Mounted Rifles, numbering some 120 members (and having its own band) has recently been formed, and the calibre and membership of this and the various sporting clubs are very high.

Music is dispensed by three good bands—the Fire Brigade Band, which is in a high state of proficiency, and gives public entertainments throughout the summer months; The Okanagan Mounted Rifle Band, and that of the Salvation Army which is well organized. The Drama is upheld by a very capable Amateur Operatic Society.

Churches, Lodges, Clubs, etc., together with particulars concerning them, will be found under their various headings in the Compendium, to which the reader is referred.
