ITALIAN QUEENS READY.

I CAN furnish immediately a limited number of tested Queens, one year old, bred from last year's importations, price \$3, valuable to parties wishing to Italianize their apiaries early this season. I can also furnish a few handsome Queens that have met with common drones, price \$2.50, valuable to parties that have queenless stocks. My imported Queen has also arrived, and she is a beauty being very highly marked. Parties wishing to secure Queens bred from her, had better send on their orders at once. All orders received during the month of June will be filled from the first lot raised (the same as orders already received), price only \$5, and Warranted as Pure as can be had in America. Markets.

Toronto Markets.

"CANADA FARMER" Office, May 30, 1867.

The produce market since our last report has been dull and trending downwards. In both wheat and flour, considerable concessions from last week's quotations would have to be made to induce sales.

Flour.—There has been very little No. 1 superfine offering during the week, and only a few sales are reported. In the early part of the week, holders were firm at \$9, and sales were made at that price. Latterly, however, in sympathy with the Montreal market, prices declined, and the market now closes dull, with a still further tendency downwards, buyers being afraid to take hold, even at the lower rates.

Wheat.—The market during the week has been dull, with no disposition among dealers to buy, except at considerable concessions. Holders, however, remain firm, and but few sales therefore have taken place. Early in the week some sales of Spring were made at \$2; buyers, however, now only offer \$1.80 for choice. On the street market midge proof and Spring sold at from \$1.80 to \$1.85. On the street market to day \$2 to \$2.03 were the ruling prices.

Oats.—The market has been quiet, with very few round lots offering, 4,600 bushels changed hands to-day at 52c; prices on the street ranged from 50c to 52c.

Barley.—The market has been quiet, few or no large transactions taking place. For car lots 70c is asked, buyers offering 68c. The offerings on the street market are light, prices during the week have ranged steadily at from 60c to 66c.

Peas.—The market during the week has been dull, with a downward tendency. Few round lots were offering; holders were asking from 70c to 74c, with buyers offering from 70c to 72c. On the street market, prices ranged from 60c to 70c.

Oatmeal.—Scarce. Holders asking \$6.40, at which price several days ago a few sales were made. Latterly, \$6 was bid for the best quality.

Pork.—Mess scarce. Holders are firm at \$19. Prime mess, \$14.50 to \$14.75. No prime mess in the market.

Cut Meats.—Bacon in salt, 8c; smoked 10c; hams in salt, city cured, 9 1/2c; smoked, 11c.

Butter.—Store packed without enquiry, worth from 9c to 10c; 4 lb rolls on the market dull at 11 1/2c.

Lard.—City do, 9 1/2c to 10c; country do, 8c to 8 1/2c.

Eggs.—In plentiful supply at from 9 1/2c to 10c in shipping lots; from farmers' baskets, 10c to 11c.

Salt.—American, \$1.75 on the wharf.

Freights.—Flour to Montreal, 20c; to Ogdensburg, 20c, U. S. currency, to Prescott, 15c, to Kingston, 12 1/2c. Grain to Montreal, 7c per 60 lbs.
