Prince Edward Island Forgery.

The Austria Philatelist describes a good forgery of the 4c green, 1872 issue. Color and general appearance are same as the originals. Principal points of difference are as follows:

The words "postage" and "Prince Edward's Island" in the top label are not clearly defined, letters appearing to run together, whereas there is a defined line of background in the originals.

The figures of value in the corners are all different in the forgery, especially in the length and termination of the horizontal lines.

The ornamental frame surrounding the head of the Queen cuts into the lower label containing the values in the forgeries.

Only 30 Copies Left . . .

Everybody wishing one of the Revenue Albums had better send as soon as possible. There are only 30 copies left. The price is cheap, and with every album is given free. Canada Revenue Catalogue and a packet of revenues. 50 leaves, thick cloth cover, size 8x8, sent postpaid for 75c.
