Leading Jewellers,
168 Yonge St., Toronto.

mittee to arrange subjects and speakers for a con-
ference to be held in connection with the next
regular meeting.—WM. FLEMING, Clerk.

The Presbytery of Hamilton met at St.
Catherines on Sept. 18th. Dr. McDonald reported
that circulars have been sent to the congregations
within the bounds asking for a contribution of 3
cents per member for the deficit in the augmenta-
tion grants, but he had as yet received only a
few answers. It was agreed to urge ministers to
try to obtain the sums asked for. The call from
Wellandport to Mr. Cruckshank was sustained
and accepted. It was resolved to hold a Presby-
terial Conference on Statistics and Finances and
on Systematic Benevolence in connection with next
meeting of Presbytery. A call from Hagersville
to Rev. C. H. Towny was sustained and forwarded.
—JOHN LAING, Clerk.

The Presbytery of Ottawa held an adjourned
meeting in Knox church, Ottawa, on Tuesday, 25th
September, at 2 p. m. Mr. T. A. Nelson, of Bris-
tol, the Moderator, presided. A call from Litch-
field to the Rev. Alex. McGregor, B.A., of Chelsea,
was sustained, and, being accepted, arrangements
for induction were made. These were held in the
church at Portage du Fort on Tuesday, the 9th
October, at 2 p. m. Dr. Armstrong gave a most
interesting report of the various mission fields
within the bounds. The Home Mission Committee
had a meeting with the students. Maps of the
various fields had been drawn by the students and
full information given for the benefit of the com-
mittee. The work had been well done in all the

fields during the summer and it was hoped that
such arrangements had been as would continue the
good work during the winter in most of the fields.
Mr. Gamble gave a similar account of the French
fields. He had visited all the fields in person this
summer and was glad to be able to report well.
Most of the fields were under the care of ordained
ministers and their work would continue during
the winter. The two fields under students would
be visited as opportunity occurred.—JAS. H.
BEATT, Clerk.

The ordinary meeting of Kingston Presbytery
was held in Chalmers Church, Kingston, on
September 18th, the Rev. J. Moore, B. A.,
Moderator. The Rev. E. W. Florence having
complied with the requirement of the General
Assembly to take two sessions in the study of
theology was received as a minister of the church,
and the clerk was instructed to grant him a Pres-
byterial certificate and letters of transference to
any other Presbytery in the church if required be-
fore next meeting of Presbytery. Dr. Williamson
and Mr. Mackie were appointed to frame a minute
of sympathy with Mr. Maclean and his congrega-
tion on the recent destruction of their church by
fire, and one was accordingly submitted which
was adopted. Reports from several of the mem-
bers of Presbytery appointed to visit mission fields
and disperse ordinances were received. Rev.
Messrs. Houston, McEachern and George, with
Messrs. Hinch and C. Hamilton, elders, were
appointed a standing committee on augmenta-
tion, and the duty of making arrangements for
visiting augmented congregations within the
bounds in accordance with requirement of As-
sembly was committed to them.—WM. TITUS
WILLIAMS, Clerk.

The Presbytery of Owen Sound met in Divi-
sion St. Hall on the 18th Sept. The resignation
of Mr. Hamilton was considered, and Rev. J. F.
McLaren was appointed to cite Keady, Desboro
and Peabody to appear at a meeting of Presby-
tery to be held in Division Street Hall, Owen
Sound, Oct. 30th, at 10 a. m. Mr. Somerville
reported for the committee appointed to consider
the question of rearrangement of congregations,
and Presbytery agreed that Berkeley be joined to
Markdale, the union to take effect from Oct. 1st.
Messrs. Somerville, Wais, McLaren, McNabb,
Acheson, McLennan and Little were appointed
to continue the work of rearrangement for the
whole Presbytery with the view of strengthening
congregations and saving Mission Funds. Pres-
bytery favored the proposal to withdraw from
McLars and Purple Valley in the Indian Penin-
sula provided the Methodist church withdraw
from Adamville, Mar and Red Bay, and Mr.
Acheson was appointed to visit the field along
with the Methodist minister and lay the proposal
before the people with the view of united and
harmonious action, and to report at the Decem-
ber meeting of Presbytery.—J. SOMERVILLE,
Clerk.

RHEUMATISM AND DYSPEPSIA.

A COMBINATION OF TROUBLES WHICH MADE
LIFE MISERABLE.

Mr. Eli Joyce Relates His Experience With
These Troubles—Could Not Retain Food
and was Thought to be Beyond Hope of
Cure—But Relief Came and He is Now a
Well Man.

From the Coaticook, Que., Observer.

The readers of the Observer have become fami-
liar with the remarkable cures effected by the use
of Dr. Williams' Pink Pills for Pale People through
their recital in these columns, as taken from other
reputable newspapers. It is now our purpose to
tell them of a cure, hardly short of miraculous,
which was effected on a person with whom many
of our readers are acquainted. We refer to Mr.
Eli Joyce, formerly of Dixville, but now living at
Averill, Vt. A few days ago we saw Mr. Joyce
and asked him about his recovery. He stated
that for four or five years he had been afflicted with
rheumatism and dyspepsia. He was laid up and
unable to do anything on an average four months
in a year, and was constantly growing worse, al-
though treated by good physicians and trying
numerous remedies recommended. A year ago
last August he was taken seriously ill while at his
sister's, Mrs. Dolloff, of Dixville. He could not
retain anything on his stomach and the physicians
who attended him were powerless in improving
his condition. One of them stated that he had
cancer of the stomach and could not live long.
It was while in this precarious condition that he
determined to try Dr. Williams' Pink Pills, and
before long was able to retain food on his
stomach. His pain gradually became less

BIRTHS, MARRIAGES AND DEATHS.
NOT EXCEEDING FOUR LINES 25 CENTS.

MARRIAGES.

On the 18th of October, at the residence of
the bride's father, by the Rev. Alex. U.
Campbell, B.A., Uxbridge, assisted by Rev. John
Ross, B.A., Churchill, A. L. McFayden, Mt.
Albert, and D.B. McDonald, Scarborough, Eliza,
eldest daughter of Mr. Donald Ross, Scott Town-
ship, Ont., to Dr. James Forrest, of Mt. Albert.

DEATHS.

On November 5th, at 54 Elm Avenue, Rose-
dale, Toronto, J. Herbert Gordon McAndrew,
eldest son of D. H. McAndrew, of Renfrew,
Ont., aged 9 years.

Duric.—At "The Lindens," Richmond
Road, Ottawa, on Wednesday morning, Novem-
ber 7th, 1894, Mary Stewart, wife of John
Duric, in her eighty-sixth year.

and in six weeks time he was back
to his home in Averill, feeling that he
had obtained a new lease of life. He con-
tinued taking the Pink Pills for some time longer
and gained so much in health and strength that
he is now able to do the hardest kind of a day's
work, and he frankly gives Dr. Williams' Pink
Pills all the credit for his rejuvenated condition,
and says he believes their timely use saved his
life. The Observer has verified his story through
several of his neighbors, who say that it was
thought that he was at the point of death when
he began the use of Pink Pills; in fact when we
mentioned his case to one of the doctors who had
attended him he said he supposed he was dead
long ago. When such strong tributes as these
can be had to the wonderful merit of Pink Pills
it is little wonder that their sales reach such
enormous proportions, and that they are the
favorite remedy with all classes. Dr. Williams' Pink
Pills contain the elements necessary to give
new life and richness to the blood and restore
shattered nerves. They are an unfailing specific
for locomotor ataxia, practical paralysis, St.
Vitus' dance, sciatica, neuralgia, rheumatism,
nervous headache, the after effects of la grippe,
palpitation of the heart, nervous prostration, all
diseases depending upon vitiated humors in the
blood, such as scrofula, chronic erysipelas, etc.
They are also a specific for troubles peculiar to
females, such as suppressions, irregularities and
all forms of weakness. In men they effect a
radical cure in all troubles arising from mental
worry, overwork, or excesses of any nature.

Dr. Williams' Pink Pills are manufactured by
the Dr. Williams' Medicine Company, Brock-
ville, Ont., and Schenectady, N. Y., sold in boxes
(never in loose form by the dozen or hundred and
the public are cautioned against numerous imita-
tions sold in this shape) at 50c. a box or six boxes
for \$2.50, and may be had of all druggists or
direct by mail from Dr. Williams' Medicine Com-
pany at either address.

The following pointed remarks from the pen
of a leading writer will be appreciated by every
thinking individual interested in their own and
their friends' welfare:

"In a nut shell.—A' owns a store full of
goods, a factory and a dwelling house. He de-
sires to insure his own property for his own pro-
tection and that of his creditors. He wants to be
safe. He cannot afford to accept a security which
is in any way uncertain. Would it be reasonable
for him to seek insurance in companies which do
not charge a sufficient rate to pay claims and ex-
penses? Would he be honest to his creditors, or
would he evince ordinary business sagacity if he
did this?"

How much greater is the necessity when mak-
ing application for a policy of life insurance,
which may run for many years, instead of one or
three years, as in a fire policy, to apply tests as
to the relative strength, economy and surplus-
earning power of the company, in all of which re-
spects the North American Life Assurance
Company is unexcelled.

For the information explanatory of the com-
pany's excellent plans of investment insurance
apply to Wm. McCabe, F.I.A., Managing
Director.

HEALTH FOR ALL!! HOLLOWAY'S PILLS

Purify the Blood, correct all Disorders of the
LIVER, STOMACH, KIDNEYS AND BOWELS.
They invigorate and restore to health Debilitated Constitutions, and are invaluable in all
complaints incidental to Females of all ages. For children and the aged they are priceless.

Manufactured only at THOMAS HOLLOWAY'S Establishment, 78 New Oxford St., London.
And sold by all Medicine Vendors throughout the World.
S.B.—Advice gratis at the above address daily between the hours of 11 and 4, or by letter.

The importance of purifying the blood can
not be overestimated, for without pure
blood you cannot enjoy good health.

At this season nearly every one needs a
good medicine to purify, vitalize, and enrich
the blood, and Hood's Sarsaparilla is worthy
your confidence. It is peculiar in that it
strengthens and builds up the system, creates
an appetite, and tones the digestion, while
it eradicates disease. Give it a trial.

Hood's Sarsaparilla is sold by all druggists.
Prepared by C. I. Hood & Co., Lowell, Mass.

THIS REFLECTS WELL.

FORT WAYNE, IND., May 18th, 1894.
BAILEY REFLECTOR CO., Pittsburg, Pa.

GENTLEMEN: We received the Reflector
you sent, in due time—have it hung in church and
tested, and to say the church is satisfied is placing
it very mildly. It is easily set up, and gives a
bright, soft light. You can well afford to send
your goods on trial, for they are sure to give en-
tire satisfaction. Please find enclosed a check
for amount of bill, and by sending me a receipt
for same you will greatly oblige,
Yours, C. F. W. MEYER,
Pastor Lutheran Church.

DANGER FROM CATARRH.

The most important feature about
that very common complaint, catarrh in
the head, is its tendency to develop into
some other more serious and dangerous
disease. The foul matter dropping from
the head into the bronchial tubes or lungs,
is very liable to lead to bronchitis or
consumption, that destroyer which causes
more deaths in this country than any
other disease. As catarrh originates in
impurities in the blood, local application
can do but little good. The common
sense method of treatment is to purify the
blood, and for this purpose there is no
preparation superior to Hood's Sarsaparilla.
The powerful action of this medi-
cine upon the blood expels every impur-
ity, and by so doing cures catarrh and
gives health to the entire organization.
