The Bennett Furnishing Co., of London, Ont., make a specialty of manufacturing the latest designs in Church and School Furniture. The Catholic clergy of Canada are respectfully invited to send for catalogue and prices before awarding contracts. We have lately put in a complete set of pews in the Brantford Catholic Church, and for many years past have been favoured with contracts from a m. aber of the clergy in other parts of Ontario, in all cases the most entire satisfaction having been expressed in regard to quality of work, lowners of price, and quickness of execution. Such has been the increase of business in this special line that we found it necessary some time since to establish a branch office in G.nsgow, Scotland, and we are now engaged manufacturing pews for new churches in that cutatry and freland.
