

Holloway's Pills, an excellent Remedy for Sickness of the Second Stage of Apoplexy, and general Debility.—The wife of Mr. Thomas Ranson, boot maker, of 14, St. Asaph-road, Hamilton, suffered for more than seven years from debility of the stomach and loss of appetite, and was so debilitated as to be compelled to keep her bed. She had been to the hospitals for advice, and under different medical men, but without any benefit, and at this time her life was despaired of. As a last resource Holloway's Pills were tried, and to the astonishment of all her friends, they produced immediate relief, and restored her to sound and robust health.
