A despatch from Windsor says. A bank of earth fell on a number of Railway laborers near Windsor yesterday (Dec. 8). Three men were seriously injured—one named Flynn has since died. (From D. E. GERRY'S PECTORAL TABLETS are unfailing in the cure of Coughs, Colds, Asthma, Bronchitis, Sore Throat, Hoarseness, Difficult Breathing, Incipient Consumption and Diseases of the Lungs. They have no taste of medicine, and any child will take them. Thousands have been restored to health that had before despaired. Testimony given in hundreds of cases. A single dose relieves in ten minutes.

TASTELESS VERMIFUGE.

People now-a-days need not pay extravagant fees to have their children cured of the worms. When children exhibit the usual symptoms of worms, all that is necessary is to get a bottle of BRYAN'S TASTELESS VERMIFUGE, which always gets rid of the trouble. This medicine is freely taken by the most fastidious children, and it acts so safely and pleasantly as to dispel all fear of ill effects. No family should be without it.

It is surprising how much affinity and sympathy exists between the organs of smelling, hearing seeing and tasting. Let any one who is skeptical of this fact place himself in the way of obtaining an attack of catarrh, or a severe cold in the head, as it is commonly called, and he will discover that all these organs are immediately affected in unison; nor is it unfrequent for total or partial deafness, with inflamed eyes, to remain long after the other symptoms of catarrh have vanished, with occasional shooting pains to the head. We consider we are conferring a boon upon our readers by directing their attention to a medical discovery, the use of which is pleasant, speedy and effectual in the removal of all the symptoms we have described. The worst forms of catarrh are cured by its use, whilst the sympathetic disease of the eye and ear, are immediately ameliorated. We allude to Durno's Catarrh Snuff, an admirable invention.

HOLLOWAY'S PILLS, the most celebrated remedy for Liver complaints and Indigestion.—Henry Stifford, of St. Catherine's, was afflicted with an inveterate Liver Complaint, indigestion, and great weakness consequent upon a bad state of the fluids; many very eminent men prescribed for him, but their medicine did not touch his complaint, and he became thoroughly tired of consulting the faculty, as they did him no good whatever. His sister who had been cured of dropsy, by the use of Holloway's Pills, begged him to try them which he did, and this celebrated remedy in six weeks thoroughly restored him to the digestive organs, and left him in robust health, making him think of his former sufferings as the remaining vestiges of some horrible dream. These Pills are also a certain cure for asthma.

NEW CARD.

MISS BOLAND returns her sincere thanks to her friends for their kind exertions to relieve her distressed situation, occasioned by the disastrous fire on New Year's Day, and also for their liberal and cheerful contributions raised on her behalf. Miss B. wishes particularly to thank JOHN SILVER, Esq., for his generous offer of a home during the severe Winter Months, with permission to receive her pupils in his house; which, after fruitless endeavours by herself and other kind and active friends, to procure suitable apartments, she gratefully accepts.

Miss BOLAND trusts that the moral and intellectual improvement of those pupils who may be placed under her care, will secure a continuance of the favor and interest so freely exercised on her behalf.
