

Help Asked From the S.M.C.

As far as possible the campaign for the coming summer is being arranged by districts. Many Leagues have not yet been heard from. The applications thus far received for a visit from a campaigner are arranged below in districts, the figures following the name of the district represent the number of Leagues who have asked for a visit from a member of the Students' Missionary Campaign. Those districts marked thus (\*) are planning as districts for meetings throughout their district.

Owing to delay in hearing from Mount Allison University, Nova Scotia and New Brunswick Conferences cannot appear until the June number.

Names of Missionary Campaigners.

The following names and addresses have been received by the Corresponding Member of the Young People's Forward Movement for Missions. The list is not yet complete, as some colleges have not reported, while names will be added to the list already sent in.

Each member of the Students' Missionary Campaign is desirous of doing all he can to advance the cause of Missions. Each Campaigner will gladly communicate with any who need help along this line, and as far as possible take advantage of all opportunities to assist at missionary meetings, especially among our young people. Some are willing to plan for tours throughout districts. See special list.

Special List of Districts.

The officers of which should be written to by any Campaigner who can work in these districts.

Officers of the districts mentioned below have reported their willingness to co-operate personally and try to secure the action of the Executive of the district in favor of having the District visited by a member of "The Students' Missionary Campaign on behalf of the Young People's Forward Movement for Missions." We print these names and addresses so that our Campaigners, who find it possible to do work in these districts, may correspond with the officers.
