The Records Alone Will Yield You a Big Revenue

One Bookseller sold over \$15,000 worth of our Records in one year.

He wasn't a wonderful man, but he had the good sense to know that **Berliner Gram-O-Phones** and **Victor Talking Machines** are here to stay, that the demand for records is unending and that he who follows the advice of the maker is the man who scores the Order Bull's Eye.

Why don't you talk to us as we talk to you?
Why don't you ask us to prove what we say?
