

## THE DEFINITION:

When we say "Typewriter Papers" we mean everything for the typewriter.

When we say "Berkshire Typewriter Papers" we mean linens, bonds, vellums--the finest grade of letter-head papers, with envelopes to match.

We mean papers exactly suited to the needs of Architects, Lawyers, Public Stenographers, and all business houses papers so thin that 25 copies can be made at one time, and others made especially for mimeograph work.

Our line is a great profit maker and always pleases. Write in, and we'll give you facts.
