

The cheapest medicine in use is Dr. Thomas' Electric Oil, because so very little of it is required to effect a cure. For croup, diphtheria, and diseases of the lungs and throat, whether used for bathing the chest or throat, for taking internally or inhaling, it is a matchless compound.

The richest endowments of the mind are temperance, prudence, and fortitude. Prudence is a universal virtue, which enters into the composition of all the rest, and where she is not, fortitude loses its name and nature.

One trial of Mother Graves' Worm Exterminator will convince you that it has no equal as a worm medicine. Buy a bottle, and see if it does not please you.

We should manage our fortune as we do our health—enjoy it when good, be patient when it is bad, and never apply violent remedies except in an extreme necessity.

With a double vigilance should we watch our actions, when we reflect that good and bad ones are never childless; and that, in both cases, the offspring goes beyond the parent—every good begetting a better, every bad a worse.

If you are despondent, low spirited, irritable, and peevish, and unpleasant sensations are felt invariably after eating, then get a bottle of Northrop & Lyman's Vegetable Discovery and it will give you relief. You have dyspepsia. Mr. R. H. Dawson, St. Mary's, writes: "Four bottles of Vegetable Discovery entirely cured me of dyspepsia; mine was one of the worst cases, I now feel like a new man."

Accuracy is essential to beauty, and quick perceptions to politeness, but not too quick perceptions. One may be too punctual and too precise.

Ayer's Sarsaparilla operates radically upon and through the blood, and is a safe, reliable, and absolute cure for the various diseases, complaints, and disorders, due to debility, or to any constitutional taint or infection.
