A MODEL RAILWAY GUIDE.—It gives the EXPRESS pleasure to call attention to the *International Railway and Steam Navigation Guide*, published by C. R. Chisholm & Co., Montreal. The *International* has not only the complete tables of all railways in the United States and Canada, steamship lines, etc., but is supplied with a fine large general map, and, among others, a very valuable map, on a good scale, of the region of the lower St. Lawrence. The *International* is especially full and reliable regarding routes, etc., in Canada, the northern New England States, and that paradise for summer tourists, the St. Lawrence country generally. Every tourist should have this handy little volume in his traveling bag.—*Buffalo Express*.

INTERNATIONAL RAILWAY GUIDE.—The August number of the "International Railway and Steam Navigation Guide," is a closely printed volume of 240 pages. It contains time tables of all Canadian railways, the principal railroads in the United States, maps of principal lines and inland navigation routes, an indexed list of all towns in the United States and Canada situated on railroads, the distances and populations of towns and cities, and a great deal of fresh information of special interest to travelers. The Guide is compiled from official sources, and is sold at 20 cents a copy. [Montreal: C. R. Chisholm & Co.]—*Detroit Post*.

INTERNATIONAL RAILWAY AND STEAM NAVIGATION GUIDE.—Messrs. C. R. Chisholm & Co. of Montreal are the publishers and proprietors of a very useful manual bearing the above title, which is not only a complete guide for travelers in the Dominion, but covers the railway time tables and connections of the United States as well. It gives a description of the principal cities and towns in Canada, hotel list, etc., and is a very complete work of its kind. A large railway map and an indexed list of railway towns and cities in the United States and Canada add to its value.—*Boston Morning Journal*.
