

ALLAN LINE

ROYAL MAIL STEAMERS
TO LIVERPOOL

DRAWING ROOM—VIRGINIAN

FAST**ELEGANT****SAFE****STEADY**

THE New Triple-Screw Turbine Steamers Victorian and Virginian on their first season have not only reduced the time between England and Canada to 5 days 20 hours (time of passage of S.S. Virginian, Merville to Rimouski), but have won from the travelling public most flattering testimony for their comfort and elegant appointments as well as for their entire freedom from vibration, which boon is secured by the Turbine engines. The bilge or side keels, which is a feature of all the passenger steamers of the Line, reduce the rolling motion to the minimum. 22 separate water-tight compartments insure safety, and the appointments ordinarily only found in hotels of the highest class—Library, Writing Room, Music Room, Smoking Room, all of ample dimensions and replete with chaste decoration. Promenade deck amidships, 200 feet long, 60 feet wide. Rooms en suite, with private bath and toilet, etc.

Rates very moderate. For further particulars apply to any Agent of the Company.
