CONSUMPTION.

From **H. B. Smith, Esq.**, a prominent Merchant of Huctouche, Kent County, N. B., under date June 28, 1877:

DEAR SIR,—I have suffered for some years past with Cough from Affection of the Lungs, Spitting of Blood, Weakness of the Chest, and Want of Appetite, and have tried many so called remedies but without any effect whatever until I commenced using Robinson's Phosphorized Emulsion. I have now taken 8 bottles, and find this quite equal to what it is represented to be, for it has STRENGTHENED LIKE A CHARM, and I can cordially recommend it to all who are affected as I have been, as I feel it is going to make a perfect cure of me. I still continue it, and I must say I never took anything equal to it. If you wish to make any use of this for the benefit of yourself and the world at large you can do so, for I think it should be known.

I remain, yours truly,
H. B. SMITH.

ROBINSON'S PHOSPHORIZED EMULSION OF COD LIVER OIL, WITH LACTO-PHOSPHATE OF LIME is prepared solely by HARRISON BROS., Pharmaceutical Chemists, St. John, N. B. For sale by all Druggists and General Dealers. Price \$1.00 per bottle; six bottles for \$5.00.

Worthless Stuff.

Not so fast my friend; if you could see the strong, healthy, blooming men, women and children that have been raised from beds of sickness, suffering and almost death, by the use of Hop Bitters, you would say "Glorious and invaluable remedy."—*Philadelphia Press.*

Various Causes.

Advancing years, care, sickness, disappointment, and hereditary predisposition—all operate to burn the hair gray, and either of them inclines it to shed prematurely. Ayer's Hair Vigor will restore faded or gray, light or red hair to a rich brown or deep black, as may be desired. It softens and cleanses the scalp, giving it a healthy action. It removes and cures dandruff and humors. By its use falling hair is checked, and a new growth will be produced in all cases where the follicles are not destroyed or the glands decayed. Its effects are beautifully shown on brashy, weak, or sickly hair, on which a few applications will produce the gloss and freshness of youth. Harmless and sure in its operation, it is incomparable as a dressing, and is especially valued for the soft lustre and richness of tone it imparts. It contains neither oil nor dye, and will not soil or color white cambric; yet it lasts long on the hair, and keeps it fresh and vigorous.
