Ayer's Cathartic Pills, For the relief and cure of all obstructions in the stomach, liver, and bowels. They are a mild aperient, and an excellent purgative. Being purely vegetable, they contain no mercury or mineral whatever. Much serious sickness and suffering is prevented by their timely use; and every family should have them on hand for their protection and relief when required. Long experience has proved them to be the safest, surest, and best of all the Pills with which the market abounds. By their occasional use, the blood is purified, the obstructions of the system expelled, obstructions removed, and the whole machinery of life restored to its healthy activity. Internal organs which become clogged and sluggish are cleansed by Ayer's Pills, and stimulated into action. This important disease is changed into health, the violence of which, when reckoned on the vast multitudes who enjoy it, can hardly be computed. Their sugar coating makes them pleasant to take, and preserves their virtues unimpaired for any length of time, so that they are ever fresh, and perfectly reliable. Although searching, they are mild, and operate without disturbance to the constitution, order, or occupation.

Full directions are given on the wrapper to each box, how to use them as a Family Physician, and for the following complaints, which these Pills rapidly cure:—For Dyspepsia or Indigestion, Heartburn, Loss of Appetite, they should be taken moderately to stimulate the stomach, and restore its healthy tone and action. For Liver Complaint and its various symptoms, Bilious Headache, Sick Headache, Jaundice or Green Sickness, Bilious Colic and Bilious Fevers, they should be judiciously taken for each case, to correct the diseased action or remove the obstructions which cause it. For Dysentery or Diarrhoea, but one mild dose is generally required. For Rheumatism, Gout, Pain, Inflammation of the Heart, Stomach, the Side, Back and Loins, they should be continuously taken, as required, to change the diseased action of the system. With such change those complaints disappear. For Dropsical Swellings, they should be taken in large and frequent doses to produce the effect of a drastic purge. For Suppression, a large dose should be taken, as it produces the desired effect by sympathy.

As a Dinner Pill, take one or two Pills to promote digestion and relieve the stomach. An occasional dose stimulates the stomach and restores the system. Hence, it is often advantageous when no other derangement exists. One who feels tolerably well, often finds their dose of these Pills makes him feel decidedly better, from their cleansing and purgative effect on the digestive system. They are sold by all the principal druggists and grocers. Beware of cheap imitations. Dr. J. C. AYER & CO., Lowell, Mass., U. S. A. FOR SALE BY ALL DRUGGISTS AND VENDOR.
