# LIVER COMPLAINT.

This dangerous and often fatal diseaso had long baffled the skill of the most eminent physicians, when the discovery of Dr. M'Lane's Liver Pills solved the difficulty, and presented to the world the Great Spe-eific, which has attained such wide-spread celebrity for its certainty of cure. This successful remedy was the result of many years' study, in which the symptoms were narrowly observed, and are thus described

by the Doctor himself:—
"Symptoms of a Diseased Liver.—Pain in the right side, and sometimes in the left, under the edge of the ribs—the patient being rarely able to lie on the left; pain sometimes under the shoulder-blade, frequently extending to the top of the shoulder-often mistaken for rheumatism in the arm; sickness of stomach, and loss of appetite; bowels mostly costive, but some-times alternate with lax; dull, heavy sensation in the back part of the head; loss of memory, with uneasiness of having neglected something; sometimes dry cough; weariness and debility; nervous irritability; foot cold or hurning, and prickly sensation of skin; low spirits, lassitude, with disinclination to exercise, although satisfied it would be beneficial. In fact,

patient distrusts every remedy."

Have you any, or all of these symptoms? If so, you will find a certain remedy in Dr. M'Lane's Pills. Prepared by Fleming Bros. of Pittsburgh.

Purchasors will be careful to ask for DR. M'-LANE'S CELEBRATED LIVER PILLS manufactured by FLEMING BROS. of PITTSBURGH, PA. There are other Pills purporting to be Liver Pills, now before the public. Dr. M'Lane's genuine Liver Pills, also his celebrated Vermifuge, can now be had at all respectable drug stores. None genuine without the signature of

#### FOR SALE,

PARK LOT No. 2, adjoining the flourishing TOWN of PERTH, the Capital of the County of Lanark, Upper Canada.

This Property, the residence of Anthony Leslie, Esquire, consists of TWENTY-FIVE ACRES of rich LAND, in the highest state of cultivation, well fenced, and planted with Ornamental Trees. The COTTAGE and OUT-BUILDINGS are in good order, and it is in every respect such a situation as would please a gentleman in want of a genteel and handsome property.

The owner has spared no expense, during the last twenty-six years, to bring it to its present high state of comfort and beauty, and will be ready to treat with persons in want of such a place, on the most liberal terms. For further particulars enquire by

letter, post paid, of the proprietor at Perth.

The above mentioned property is bounded on the
East by the continuation of Wilson Street, the principal entrance to the Town; on the South by Leslie Street; on the West by the River Tay, (a very handsome piece of water); and on the North by the property of the Hon. R. Mathrson.

The Buildings and Fences cost £1,000. There are above 5,000 Trees, and of these 150 are great beauties, and may be well rated at Ten Dollars each. It has taken twenty-six years' care to bring them to their present perfection—many of them no person with the smallest taste would remove if offered Sixty Dollars each. Great pains have been taken in laying out the grounds.

Had I complied, as frequently urged, to dispose of Building Lots, I might have sold them at the rate of £500 per acre

Judge Malloch, on the opposite side of the Street, has sold five Building Lots, one-fifth of an acre each at £100 the Lot.

What I expect to obtain for the Property is at the rate of £100 per Acre. I invite persons disposed to purchase to make their offers. ANTHONY LESLIE.

CONSUMPTION, and for the relief of consumptive patients in advanced stages of the disease.
We need not speak to the public of its virtues. Throughout We need not speak to the public of its virtues. Throughout every town, and almost every hamlet of the American States, its worderful cures of pulmonary complaints have made it already known. Nay, few are the families in any etvilized country on this continent without some personal experience of its offects; and fewer yet the communities any where which have not among them some living trophy of its victory over the subtle and dangerous discusses of the threat and lungs. While it is the most powerful antidote yet known to man for the formidable and dangerous discuses of the pulmonary organs, it is also the pleasantest and safest remedy that can be employed for infents and young persons. Perents should have it in store against the insidious enemy that steads upon them unprepared. We have abundant grounds to believe the Cariur Piccount cures. Keep it by you, and cure your colds while they are cure ble, nor neglect them until no human skill can master the incoverage canker that, fastened on the vitals, cuts your life away. All know the dreadful fatality of lung disorders and as they know too the virtues of this remedy, we used not do more than assure than it is still made the best it can be. We spate no cost, no care, no foll to preduce it the more perfect possible, and thus afford those who rely on it the best age of which ever skill can furnish for their cure.
