### A Wonderfully Delicious Relish

Clark's Tomato Ketchup adds wholesome zest  
and enjoyment to the meal.

Try it with meat---fish or eggs, etc.

The unvarying excellence of Clark's Tomato Ketchup has  
doubtless been the reason of its welcome on so many Canadian  
Tables.

The fine, sun-ripened tomatoes are brought daily, fresh from  
the vines, and carefully hand-picked in the Clark's establishments,  
right in the heart of Canada's best tomato districts.

Spices, tested as to strength and purity, are blended in the  
exact proportions called for by the time-tried Clark recipe.

Housewives would envy the automatic machinery, which  
enables our scientific processes to be carried out without any  
detail being missed, and delivers to the mechanical bottle fillers  
Clark's Tomato Ketchup in perfect condition.

CLARK'S Tomato Ketchup is rightly termed—Canada's  
National Condiment—just as CLARK'S Pork & Beans are  
Canada's Standard from coast to coast.
