

Article II

Implementation

1. The States Parties, in order to achieve the objectives of the Treaty and to ensure the implementation of the provisions of the Treaty, entrust the International Atomic Energy Agency, hereinafter referred to as the "Agency", with verification of compliance with the Treaty, as defined in Article III B.
2. The States Parties undertake to cooperate in good faith with the Agency in the exercise of its functions in accordance with this Treaty.
3. In order to fulfil its obligations under the Treaty, each State Party shall designate or set up a National Authority and shall so inform the Agency upon entry into force of the Treaty for such a State Party. The National Authority shall serve as the national focal point for liaison with the Agency and with other States Parties.
4. Each State Party undertakes to take any measures it considers necessary to prohibit and prevent any activity in violation of the provisions of the Treaty anywhere under its jurisdiction or control.
5. Each State Party shall inform the Depositary of the legislative and administrative measures taken to implement the Treaty.

Article III

International Cooperation

A. States Parties

1. Each State Party undertakes to cooperate in good faith with each other and the Agency to facilitate the verification of compliance with this Treaty through:
 - international exchange of seismological data;
 - international exchange of measurements on radionuclides in the atmosphere;
 - additional relevant techniques, as specified in Protocol I, annexed to this Treaty.

The arrangements for these international cooperative measures are laid down in Protocol I.

Each State Party undertakes to establish the necessary facilities to participate in these cooperative measures and through its National Authority to establish the necessary communication channels with the Agency. These arrangements shall be operative on the entry into force of this Treaty.
