4.5 Generally speaking, I am satisfied with:

- the current technology used to deliver the Commercial Program.
- my physical work environment, overall (air quality, water, etc.)
- the availability of equipment and supplies (i.e., computers, software, office supplies, etc.)
- SIGNET support
- administrative support services at my Post (staff quarters, maintenance, office support, chauffeurs, etc.)
- access to facilities/office during non-business hours
