International Arbitration—	
Motion for an Address to Her Majesty praying	
That she will be graciously pleased to cause her principal Secretary of State for Foreign Affairs to enter into negotiations with Foreign Powers with a view to further improvement in International Law, and the establishment of a general and permanent system of International Arbitration—(<i>Hon. Mr. Cameron, South Ontario</i>)	843
Motion in Amendment—	
That all the words after " that " in the original motion to be left out, and the following inserted :— " This House will at all times be ready to give its best consideration to any practical legislation that may tend to promote international intercourse, and thus, by establishing a community of interest between Canada and foreign States, secure the maintenance of peace—(<i>Mr. Dymond</i>)	856
After debate, both motion and amendment were withdrawn	858
DIVORCE COURT—Motion—	
That the practice of granting divorces by Act of Parliament is, for many reasons, objectionable, and that relief in all matters matrimonial would be best secured by creating a Court in each of the Provinces with exclusive jurisdiction in matters matrimonial ; and with authority in certain cases to decree a dissolution of marriage—(<i>Mr. De Cosmos</i>)	858
Motion in Amendment—	
That all divorce Courts existing in the Dominion be abolished—(<i>Mr. Becharde</i>) . .	859
The amendment having been withdrawn, the House divided, when the original motion was declared <i>resolved</i> in the negative—5 votes to 134	861
