BORSTAL SYSTEM

Mr. CHURCH:

1. Was an investigation made into the workings of the Borstal system in England by the Department of Justice?

2. If so, with what results?

3. Are any steps being taken this session to give effect to the installation of such a system for the youth of Canada in order to improve present antiquated conditions as to youth.

Mr. LAPOINTE (Quebec East):

1. Yes.

2. The report and study of the Borstal system in England is contained in the annual report of the superintendent of penitentiaries tabled in the House of Commons, February 10th, 1936.

3. It is not anticipated that such steps will be taken to give effect to the installation of this system until the report of the commission to investigate the penal system of Canada has been presented.

ANTHRACITE COAL COMMISSION

Mr. CHURCH:

1. What was the total cost of the Tory commission to investigate coal in Canada?

2. What sums were paid to commissioner, counsel, and other officers connected therewith?
