**Mr. Speaker:** I declare the motion lost. I take it there is an agreement.

**Mr. Deans:** Mr. Speaker, I rise on a point of order. There are two brief matters which I want to raise. It is my understanding that we might agree to have the vote we have just taken count for all the outstanding votes. However, it has been brought to my attention that on Motion No. 31A the yeas and nays were not taken. If we could include that, then all the votes would be concluded.
