

MOTIONS.

For Monday, March 3, 1919.

No. 1.

By the Honourable Mr. Daniel:—

February 27—That an Order of the Senate do issue for a Return showing:—

- (a) The number of sick mariners treated during the year 1917-18.
- (b) The places of treatment, and the number treated in each place.
- (c) The cost per day of each sailor treated, including the cost of medical attendance, as well as the cost of board, medicines and nursing, whether treated in Government Marine Hospitals or in other hospitals.

No. 2.

By the Honourable Mr. Pope:—

February 27—Resolved, That there should be established in Canada a National Free Compulsory School System.

INQUIRY.

For Thursday, March 20, 1919.

No. 1.

By the Honourable Mr. Dennis:—

February 27—1. Have all Government Commissions, War Boards, or Committees, since last session of Parliament, been brought under the jurisdiction of the King's Printer as regards printing?

2. If by Order in Council, what is the date of such order?

3. Was the Commission of Conservation included in the list of bodies so brought under the jurisdiction of the King's Printer?

4. Did the manuscript of the report of Leo G. Denis, entitled "Electric Generation and Distribution in Canada," and recently issued by the Commission of Conservation, pass through the hands of the King's Printer?

5. Where was said report printed?

6. When was the first batch of "copy" of said report sent to the printer?

7. What was the cost of said report?
