

March 25, 1970

v

That the Committee before assuming any financial obligations submit to the Standing Committee on Internal Economy and Contingent Accounts a budget for approval setting forth in reasonable detail the forecast of expenses to be incurred; and

That the Committee be authorized to print such papers and evidence from day to day as may be ordered by the Committee, to sit during sittings and adjournments of the Senate, and to adjourn from place to place.—(*Honourable Senator Langlois*).
