Dear Sir Arthur:

Thank you for your note and for the photograph,  
which has come and which will be used in our Bulletin.

Montreal has been to me a very attractive place,  
particularly because of the associations that it had  
in my journeys when I was gathering material for my  
lectures in France. You will let me say that it now  
has added attractions since I have come to know yourself  
and Lady Currie.

Cordially yours

JOHN H. FINLEY
