THE VICE-CHANCELLOR,

THE UNIVERSITY, LEEDS.

8th March, 1921.

Dear Sir Arthur Currie,

Your letter of February 19 has reached me this morning.

I will make one or two private enquiries and write you again in about a week's time.

From Professor Dale I know something of the conditions of work at Montreal and of the opportunities which lie before a Professor of Education at the University. Unfortunately it is very difficult at this moment to find the right man for such a Chair.

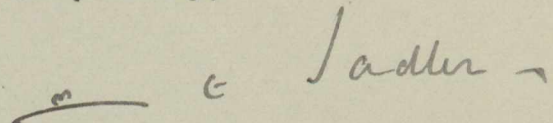

In Classics and in History there is a larger field.

I am looking forward to the great pleasure of meeting you at the congress in the summer.

Believe me,

Yours very truly,

Sir A. W. Currie, G.C.M.G.,  
K.C.B.,  
McGill University,  
Montreal.
