

"Wild hops grow to a larger size than I ever saw in any hop field in Ontario.  
"S. C. HIGGINSON,  
"Oakland."

"Any one who wants land this is the place

"ARCH. GILLESPIE,  
"Greenwood."

"Roots and vegetables can be grown here as well or even better than in  
"England, as that is our native place we should be able to judge.

"WILLIAM HAYWOOD, JAMES SWAIN,  
"Morris."

"A farmer cannot make a mistake by settling here.

"NEIL McLEOD,  
"Victoria."

"I never knew crops to fail, only when destroyed by Grasshoppers, and that  
"was only twice that I know of during my lifetime,—now 50 years. I never took  
"any notice of the size of our vegetables until strangers began coming into the  
"country, who used to admire the growth of crops of all kinds. Then I began to  
"think our country could hold its own with any country—yes, beat them too. If  
"our soil here was worked as folks tell me land is worked in other places the  
"crop would grow that rank that it never would mature to perfection.

"ROBERT SUTHERLAND,  
"Portage-La-Prairie."

"I am well satisfied with climate, farming facilities, &c., and consider them  
"far ahead of where I came from.

"JAMES MATHEWSON,  
"Emerson."

"I would sooner live here, as I think I can do better than I could elsewhere.

"ANDREW NELSON,  
"Stonewall."

"I consider this country the garden of the Dominion, and by all appearance  
"the granary, not only of the Dominion but of Great Britain. I have grown flax  
"here for several years; it grows equal to any I ever saw. I have grown timothy  
"for eight years and have got from two to three tons per acre.

"THOS. DALZELL,  
"High Bluff."

"I have been in this country nine years and I would not return to Ontario  
"or any part of Canada to make a living. I have prospered better here with less  
"manual labor or trouble than I could possibly do elsewhere. The soil is good  
"the climate is excellent, and everything is in a prosperous condition.

"JAMES F. VIDAL,  
"Headingley."

"Any man with a family of boys as I have got, that intends living by farm-  
"ing and raising his boys to farm, is only fooling away his time in other places  
"when he can average a hundred per cent more each year with his labor here as  
"I have done. I have farmed in Europe, State of New York and Ontario, and  
"I can say this safely.

"THOS. H. ELLISON,  
"Scratching River."

"I would not advise any man coming out here to farm to bring any more  
"luggage with him than he can actually help. I have sometimes weighed roots  
"here and found them to surpass any I ever grew in Canada. I do not think  
"there is any use telling the immigrants the weights as they will hardly believe  
"it. It is enough for them to know that this country can produce more to the  
"acre with less cultivation than any part of Canada.

"GEO. TIDSBURY,  
"High Bluff."
