Plenty of Accommodation But Few Summer Visitors

Toronto Hotels Are Not Doing Anything Like Capacity Business, and Can Provide For Thousands More Tourists Than Are Now Here.

Toronto is not receiving the attention | at the King Edward, where there is anything like the number of touranything like the number of tourall have never known business to be ists this year, as has been the custom so slack," said Manager Bremner. during former seasons, and local hotel- have acce keepers are very emphatic in their contradiction of a report to the contrary. number of visitors is from a thousand

Manager G. R. Bremner says that to 1600 behind the same month during the King Edward Hotel is not doing previous season. anything like capacity business, and the average number of visitors is thousands behind that of previous summers. This is also repeated during Woodbine race weeks, and yet some Toronto It is not lack of suitable accommodation in the city, but rather, as it can be convincingly proven, that there is really a laxity in the number of summer may cause Harm.

Not only are the Toronto hotels feel-Not only are the Toronto hotels feeling the effects of the bad season, but the principal summer resorts within a reasonable distance from the city are also affected. Business is so slack that they are continually appealing to the city hotels to advise to choose their particular hotels, in which to spend their distance of the bad weekley and the city council in the matter of advertising Toronto in foreign parts. their intended vacations.

intended vacations.

Twelve Transients.

some have suggested the revival of the defunct publicity department. The defunct publicity department. The lidea of the number of people King Edward Hotel alone has spent coming to Toronto at the present time over \$400,000 in advertising the city in is given by the fact that 12 people re- American and European cities. The gistered at one of the largest hotels in managers have also recently distribut the city last Sunday, and on the same ed an elaborate booklet thruout the im-might 216 people availed themselves portant cities of the continent, which of the opportunity of accommodation has entailed considerable expense.
