

Our library requires an immediate addition of new books, and for this purpose the sum of \$50.00 has been transferred from the working fund to the library fund. These books will be carefully selected by a committee of teachers, and when they are placed on the shelves, we trust the library will be more popular and useful than ever.

During the past year there have been distributed among the various classes the following papers:—The "Senior Westminster Quarterly," The "British Workwoman," The "British Workman," The "Children's Friend," The "Children's Record," and the "Sunbeam."

In connection with the Jubilee services of the church, a joint meeting of Crescent Street and Nazareth schools was held in Crescent Street Church on Sabbath afternoon, June 5th.

Most interesting addresses on the history of the school were delivered by Dr. MacKay, Dr. McVicar, Mr. D. Morrice and Mr. James Ross. The remembrance of the faithfulness of our predecessors and of our privileges, so many as compared with theirs, should arouse us to greater earnestness in the Master's service, that His word slacken not in this portion of the vineyard.

The Annual Temperance Meeting was held on Friday evening, November 23rd, and was addressed by the Rev. J. H. Carson, secretary of the Dominion Alliance, and by Mr. Budge of the Y. M. C. A. The long experience of these gentlemen in temperance work enabled them to present the truth in a most practical and convincing manner.

The monthly business meetings and the Sabbath afternoon prayer meetings have been held as usual, and have been well attended by the teachers throughout the year.

The annual picnic was again held at Sherringham Park on Saturday, June 16th; we were favored with delightful weather, and in the general opinion, this was one of the pleasantest picnics the school has ever had.

Our heartiest thanks are again due to many who laboured devotedly to make it a success.

We desire also to express our thanks to the Deacons' Court for improvements in the Infant Class room, whereby it has been rendered more commodious and comfortable in every way.
