Cure for Chapped Hands.

Cold, windy weather plays havoc with the lips and hands. It doesn't require much exposure to subject you to the annoyance of rough or red skin, or chapped lips. The usual remedies, glycerine, cold cream, vaseline, etc., are either sticky or greasy. You can only use them conveniently upon retiring. Even then your feelings are not the most agreeable.

HAZELINE may be used at any time, and is soothing and healing every time you use it. Apply it to the hands, rub gently, and it vanishes! It is absorbed. This new and dainty toilet lotion is a true skin food. It is the peer of all remedies for the complexion. HAZELINE purifies as well as beautifies. Only 25 cents.

62 PRISONERS SHOT EN MASSE

Atrocities Perpetrated by Spaniards in Manila.

Washington, Jan. 7.-The correspondence published officially in connection with the peace treaty contains much of interest to the United States. United States Consul Williams, who is stationed at Manila prior to the war, in one dispatch, relates many atrocities on the part of the Spaniards. One of these occurred on March 25, when a meeting of natives was broken in on by force, many being wantonly shot to death and 62 taken prisoners. The next day the 62 prisoners were marched to the cemetery and shot down in a body. Many of these, Mr. Williams added, were not participants in the meeting.

He reports that several hundred native prisoners were disposed of by being placed in low dungeons in the city walls, where they were drowned by the rise of the tide, adding: "Cruelties too horrible for an official report are detailed to me every day, and it seems that the cry of outraged humanity would soon compel Spain to abolish middle-age warfare."

AMUSEMENTS

"THE GIRL FROM CHILL"

"The Girl from Chill," a new comedy from the gifted pen of Mr. Wm. L. Roberts, was presented at the Grand Opera House last night. The play sparkles throughout with wholesome humor, and the fair-sized audience present spent an evening of almost continuous laughter. The lines are witty, and prove the well known actor to be a remarkably facile writer. The ridiculous situations crowd each other from first to last, and are evolved on the strength of the monumental fabrications of a modern Ananias, whose aim is to help his friend. In this respect the piece has had several forerunners, but the idea is cleverly developed, and the play is in the hands of a talented company. Its success is assured. Mr. W. L. Roberts, the author, plays the leading role of Robert Lighthouse, a modern Ananias, with rare ability, and is well assisted by Miss G. M. M. M., as Juanita, the girl from Chill, and by Mr. Cecil Magnus, Mr. Samuel Hunt, Miss Eva Scott and Miss Annie West, in their several parts. "The Girl from Chill" is in a fair way to enjoy a long and successful run.
