

A Chance to Save a Few on Men's Suits

There is no stock so clean that odds and ends of lines will not creep in occasionally. After stock-taking we found about 50 suits of different lines and sizes that we want cleared out, so we placed them all together and ripped off \$3.00 to \$5.00—yes, and even \$8.00—from the former rivers and they are yours to prices, and they are yours to save money on. Obstinate coughs yield to its grateful soothing action, and in the racking, persistent cough, often present in Consumptive cases, it gives prompt and sure relief. In Asthma and Bronchitis it is a successful remedy, rendering breathing easy and natural, enabling the sufferer to enjoy refreshing sleep and often affecting a per-

Mrs. Henry Smallpiece, Brudenell, Ont .. writes:-"I was always subject to a cough and could get nothing to relieve me until I saw an advertisement of Dr. Wood's Norway Pine Syrup and thought I would try a bottle, and when I had taken a few doses I found I was getting relief, and when I had finished it I was cured.
