

A NOTABLE PURCHASE AND SALE OF HIGH-GRADE SHOES

WE believe we have made the greatest capture of high-grade Oxfords ever landed in Toronto. A little late in the season we made an offer to a good manufacturer for 3000 pairs of women's kid, calf and patent pumps and Oxfords in tan, black, also colored suedes and were surprised that our offer was accepted. Every pair of them made to sell at \$4 and \$5, all are nice, clean, high-grade, superior quality shoes, and we can be pardoned for becoming enthusiastic over them.

This is a big lot and July business is what we are after, and as our price is simply ridiculous for the goods we know you will enthrall on seeing them, and it will be only because of lack of the price if you do not take more than one pair. They are all Goodyear welted and the most flexible welts we have ever seen; in fact it is a real \$4 and \$5 shoe at the ridiculous price for immediate clearing of \$1.99. Widths from A to E.

WOMEN'S CANVAS OXFORDS AND PUMPS

We are clearing all our canvas Oxfords and pumps, all colors, regular \$2 and \$3 a pair, at one price—\$1.50.

CHILDREN'S CANVAS AND KID GOODYEAR WELT OXFORDS

300 pairs in many lines, all worth at least \$1, many \$1.50 and \$2, at clearing ridiculous price—50c.

MEN'S TAN AND BLACK CALF PATENT LEATHER AND KID OXFORDS

Also 60 pairs of two-eyelike ties (real smart) we purchased at \$1 a pair less than factory cost. All \$4 and \$5 lines, bargain price \$2.95.

These are the best bargains, everything, considered we have ever offered.

Star Brino Shows Speed in Green Race At the Winnipeg Ex.

WINNIPEG, July 14.—(Special.)—The opening of the Winnipeg Industrial Exhibition took place today under most favorable circumstances. Automobiles held sway at the track for the opening day, but the horse races were the main attraction for today. Three splendid races were on the cards for the harness races and one for the gallopers. The first race on the card was the 2:15 trot with purse of \$1000. There were eight good trotters facing Starter Dr. John Scott, who had good control of his field and got them away in splendid shape. This race went the limit, five heats, no horse winning the three heats. The time was good, considering that the track had been used by the auto for racing. Desmores, b.h. by Vyan, getting the long end of the purse, and Heartwood, b.h., by Woodford Wilks, second money.

In the 2:30 pace of 2:30 trot, R. J. McKenzie uncovered a good green one in Star Brino, b.g., by Wild Brino. He won his race in straight heats and could have stepped the mile close to 208 had he been extended, in fact, in all three heats he was taken back in order to save his tending some of the field, also Sylvia Owens got the banner first heat. The second mile was given out officially as 2:04, but many watches had it faster. The winner was popular, as R. J. McKenzie, better known as Rod, is very popular among the horsemen.

The third was a matinee race, 1/4 mile heats, which was won by Deltic, b.m., by Arbuteau, 2084, she winning the last three heats after having been second and third in the two first heats. This also was a popular win, the time was good, 1:10 being the slowest heat, and 1:08, the fastest. The races continue this week and next. There are over two hundred races here, and the public are looking forward to a great free-for-all, one of the best, if not the best, ever seen in Canada. The summary follows:
