

PREFACE.

IN presenting their First Edition of the St. Catharines Directory, the Publishers take great pleasure in offering a work which they believe will prove not only useful but interesting, and that every exertion in their power has been made to render it full, complete and reliable. The Publishers trust that as few errors will be discovered in this work as in any other of a similar character, and that it will deserve the approbation of its patrons.

The Publishers in taking leave, are thankful to all who have aided in supplying information, and in bringing the Directory to a successful issue.
