21 Trustees.

The President then moved, seconded by Mr. J. P. Cleghorn, that the report and statement be adopted.

The President said that in moving the adoption of the report he had little to add but he thought that under the zealous attention of the Superintendent the beauties of the ground were yearly becoming more apparent.

Some suggestions having been made and approved the report was unanimously adopted.

The President then said the next business before the meeting was to fix a date for the election of Trustees for the ensuing year. The usual practice was to hold a meeting one week from the date of the Annual Meeting. This being approved it was resolved,

That the meeting for election of Trustees be held on Thursday the 20th December, in the usual order, commencing at 3 p.m., at intervals of five minutes.

Moved by Senator Ogilvie, seconded by Mr. T. D. Hood, that in future reports the cost of maintenance and revenue as well as the capital employed in the Green-Houses be shown. Carried.

It was then moved by Mr. Charles Alexander, seconded by Mr. James Torrance, and resolved, that the thanks of the proprietors are due and hereby tendered to the President, Vice-President and Board of Trustees for the care, attention and time given to the affairs of the Mount Royal Cemetery Company.

Mr. Alexander said he had much pleasure in moving this resolution as the condition of the property reflected great credit on the gentlemen of the Board, the majority of whom he knew were men who had many calls on their time, which they cheerfully and conscientiously gave in the interest of the Trust they were elected to look after.

The meeting then adjourned.
