

#### HEALTH.

We are pleased to say, with the exception of the two referred to that passed away, we have been free from sickness.

#### RECREATION.

Outdoor games are provided in the summer months.

The Christmas Dinner was a great treat and we most cordially thank all friends of the School for their gifts and presents.

Interesting addresses were delivered by His Worship the Mayor, His Honor the Stipendiary Magistrate, and others. A thorough good time was enjoyed by all, a new feature being the singing of some selected pieces by the boys.

A Dinner was also given the boys in honor of the Queen's Jubilee.

A number of talented friends gave a pleasing entertainment in the winter months, with which they were delighted.

#### EDUCATION.

This Department is under the charge of Mr. Gardner, who certainly knows how to get boys forward, a marked improvement being noticed in nearly all the boys.

#### EMPLOYMENT.

The elder boys are taught shoemaking, the younger make kindling wood, do light farming work and gardening.

#### IMPROVEMENT.

We have had to rebuild our wood sheds, barns etc., so that now our yard and outbuildings have a creditable appearance.

We have lost Mr. Adam Burns, a warm hearted
