

GENERAL CIRCULAR.

MALE BRANCH.

This Branch of the ACADEMY has been opened and in successful operation twenty-five years. The arrangements which were made for the accomplishment of the important object for which it had been founded, were such as obtained for it a high position in the public estimation very early in its history ; and those upon whom the direction of its affairs has devolved, have been stimulated and encouraged, by its prosperity, to continued efforts to render it, in all its departments, ever increasingly efficient. Each year has, therefore, been marked by valuable additions to its educational facilities, and by more or less extensive general improvements throughout the establishment. The Officers of Instruction and Government have laboured assiduously to prove themselves not unworthy of the important trust committed to them by the Trustees of the Institution and the Parents and Guardians of their pupils ; and that they have not seemed to toil unsuccessfully has been proved by the continued large attendance of students from almost all parts of these Provinces. The employment of a large staff of instructors renders practicable a thorough classification of the students, and such a division of labour as is most pleasant to the teacher and most profitable for the pupils, ensuring a sufficient amount of attention daily to each Class, and to every individual in each Class ; and, as the ACADEMY will still be conducted upon the same principles which have secured for it such enviable and distinguished popularity, and such extensive and continued patronage, the attention of young men, and of the parents and guardians of youth, is confidently, but respectfully, invited to it, as an Institution where, under most favourable circumstances, thorough intellectual training may be obtained in safety and comfort, and at very moderate expense.
