Cicotte May Join Feds.
Cleveland, Dec. 14.—Rebel Oakes, manager of the Pittsburgh Feds, was in conference here last night with Eddie Cicotte, Chicago White Sox hurler, and it is believed a deal will be made whereby Cicotte will join the Feds. Cicotte came here from his home in Detroit to meet Oakes.

Establishes New Record.
It is rare for a player to take part in all the games played by a major league team during the championship season. A major league schedule calls for 154 games. In the Pacific Coast league the schedule calls for 210 championship games by each club. It is remarkable for any player to participate in all of the contests for the pennant, but Walter Schaller, a San Francisco outfielder, has established a record of being in every championship game for two successive seasons. In 1914 he was in 213 games—two of which resulted in tie scores—and this year he was in 208 games. During the past season he played through every contest except two. Schaller formerly played a utility outfield role for the Detroit Tigers.

RING.

Wolgate Beaten By Whitney.
Frank Whitney stopped Ad Wolgate, ex-lightweight champion, in the fifth round of a scheduled ten round bout in Atlanta, Ga., last evening. Wolgate's manager stopped the fight.

Willard-Fulton Match.
Representatives of Jess Willard and Fred Fulton are expected to meet in Chicago today to complete arrangements for a championship match to be staged in New Orleans on March 4.

ATHLETIC.

Kolehmainen May Return.
Hannes Kolehmainen, Finnish distance runner of the Irish-American A. C., is to be matched, immediately after the senior national cross-country championships at Van Courlandt Park in Dec. 18. The bride-elect is Miss Alma Johnson, a pretty Finnish girl of twenty. Although Kolehmainen does not say so himself, it is understood that the coming cross-country race will be his last in public.

Soldiers Enjoy Games.
Physical Director Bank of the Y. M. C. A. was in the armory last evening instructing members of the 69th Battalion in indoor sports. Some of the soldiers participated and greatly enjoyed the sport. Mr. Bank's services were much appreciated and he was cordially invited to return.

Classy Mare for P. E. L.
Halifax Echo:—John Richards has imported to P. E. Island from New York, the trotting mare Mundy C, with a race record of 2:09 1/2 made in 1914. Mundy was one of the choice things at the sale in the fall of 1914 when she was sold for \$4,500, being bought by H. Oliver of Pittsburgh, the present owner of Peter Scott. Mr. Oliver used Mundy as a roadster and for matinee races at which she was very successful, never having met defeat. Mundy is a typical representative of the high class trotter and roadster, a good size, attractive in appearance with natural style and action and a mouth of velvet. She has perfect manners, is fearless of all objects and can be driven by any one. She is credited with a great brush on the road and needs no boots, nothing but the harness. Mr. Richards purchased her for a driver and for breeding purposes. She should be valuable as a brood mare as her dam Laura McGregor produced four in the list and is by Robert McGregor. Mundy will be bred to Captain Aubrey next spring.

Comet Sold in Boston.
Baring's Comet (2164) has been disposed of by H. Musgrave of Halifax who remained in Boston to race his horse at the matinee when the fair was over. W. D. Hunt of Boston is the new owner of the Nova Scotia trotter.

Paralyzed in England.
