Combined Armistice and Thanksgiving services were held in the majority of the city churches and Sunday, and large congregations were present at all of the services.

In Saint John (Stone) church at the morning service the colors of the former Saint John Sea Fencibles were laid up for keeping, and it was a most impressive ceremony. The local R. C. M. V. R. corps and a guard of honor from the artillery were present. The colors were brought from the Natural History Society rooms to the church by the guard of honor. They were accepted by the wardens and rector of the church, Rev. A. J. Fleming.

CADETS ATTEND SERVICE

The Cadets of the city and members of the G. W. V. A. attended the morning service in St. Andrew's church. The minister, Rev. J. S. Bonnell, delivered an inspiring address. What Canadians have to be thankful for was the theme of the sermon of Rev. B. D. Knott at the Central Baptist church. He traced the progress of the Dominion up to this time and the splendid outlook for the future.

The first of the Y. M. C. A. Sunday morning services for boys was held Sunday morning and was largely attended.

AT ST. GEORGE'S.

St. George's church, West Saint John, was nicely trimmed with fruit and vegetables on Sunday in honor of the Thanksgiving feast. At the morning service the Boy Scouts and United Cabs attended in a body. Inspiring sermons were delivered at both services by the rector, Rev. John Unsworth. In the Portland United church a Thanksgiving service was held on Sunday evening. The pulpit and altar rail were nicely decorated with fruit and vegetables, and a special sermon was preached by the pastor, Rev. H. A. Goodwin.

At the morning service in the Exmouth street United church the pastor, Rev. E. E. Styles, preached a special Thanksgiving sermon, and in the evening Rev. L. M. Duval, returned missionary from Africa, told his ex-

**Could Not Sleep
Heart and Nerves
Were So Bad**

Mr. Geo. Mack, Windsor, Ont., writes: "I suffered with my heart and nerves and could not sleep at night for some time. I had been told to keep at my work somehow, until I began to have dizzy spells which got so bad I could not go to my place, for very often I would stagger on my feet, and everything in front of me would turn black and fade away. While I was home sick a friend told me to take a box of **MILBURN'S HEART AND NERVE PILLS**. I got four boxes and had used them the pains and noises in my head ceased and I was able to get a good night's rest. Although that was six years ago I have never been troubled with that complaint again." Price 50c. a box at all dealers, or mailed direct on receipt of price by T. C. Bladder Troubles
Bother Many Past 40

Seven Out of Ten Are Victims, But Writer Tells How to Bring Swift, Amazing Relief With Renewed Vital Force

"No one knows better than I, the horror of joyless days and sleepless nights. There have been times when I felt hopeless and helpless—and when my weakness caused me the most intense humiliation. Only those who have gone through such tortures can possibly realize my great satisfaction when Dr. Williams' Pink Pills brought me quick relief. URATABS are truly wonderful, and I give them full praise. Such amazing evidence serves as convincing proof of the power of URATABS to relieve those distressing ailments so often a handicap to those in middle life. Overworked, sluggish kidneys, bladder weakness and prostate gland troubles bring on so many distressing ailments which no often lead to serious diseases that every sufferer from lameness, pains in back and down through groin, scanty but frequent urination, "getting-up-nights," nervous irritability and lack of force—should try the amazing value of Dr. Williams' URATABS at once. Any good druggist will supply you on a guarantee of satisfaction or money back."

perances on that mission field. The church was decorated with fruits and vegetables in honor of thanksgiving.

MEMORIAL DEDICATED.

A new electric fixture, with 500 candle power, was dedicated in St. James' church on Sunday by Rev. H. A. Cody. It is the gift of Mrs. Tremaine Gard in memory of her sister, Kathleen Dewdney, wife of a former rector of the church.

CARLETON VETERANS AT SERVICE.

On Sunday morning the Carleton Branch of the Canadian Legion, B. E. S. L., and the cadets of the New Albert school, headed by the Carleton Cornet Band, paraded to St. Jude's church. There were special seats for them and for the Women's Auxiliary of Brunswick Chapter, I. O. O. F., and the patients and staff of the Lancaster Military Hospital and members of the Common Council. C. H. Cochrane was in charge of the parade. Rev. J. H. A. Holmes preached an inspiring sermon.

In St. David's church on Sunday a wreath was placed on the memorial tablet by Corporal John Stewart Henderson. H. G. Gibson, organist, played the Dead March in Saul.

LUDLOW STREET

In the Ludlow street Baptist church the Thanksgiving services were largely attended on Sunday. Fruit and vegetables were artistically arranged for decoration. Rev. W. A. Robbins, pastor of the church, preached appropriate sermons. In the evening instead of the customary roll call he asked the congregation to stand while he read the church covenant. At the close of the evening service the Lord's Supper was administered to a large number of communicants. The thank offering was presented in an envelope shaped like a turkey and was stuffed with dollar bills. A substantial sum was contributed in this way for the church funds.

The choir was assisted in rendering the special music by Miss Edith McGarrity who also gave two much appreciated vocal solos. At the evening service Miss Louise Burke and Miss Ethel Rupert sang a pleasing duet. At the Sunday school session in the afternoon R. H. Parsons, superintendent, presided and gave a talk on Thanksgiving also spoke of Armistice Day. E. F. Campbell told the children an interesting Thanksgiving story. The orchestra of the Sunday school gave pleasing selections.

MAIN STREET BAPTIST

The special services in the Main street Baptist church Sunday were very largely attended and most impressive. In the morning the members of the C. G. I. T. group attended in a body and occupied the choir loft. Some of

their number took part in the service most capably. Miss Rachel McBay lead the responsive reading of the psalms and Miss Marion McLean read the scripture portion. A duet was very pleasingly rendered by Miss Helen Nobles and Miss Beryl Dean. Rev. M. S. Richardson addressed his sermon specially to the C. G. I. T. members.

In the evening there was a combined observance of Thanksgiving Day and Armistice Day. The tablet, commemorating those of the congregation who had made the supreme sacrifice, was draped with a Union Jack and decorated with a poppy wreath by returned men among the congregation. Flags were dropped on the pulpit also. The organ loft was trimmed in green and red and a basket of fruit was placed in front of the pulpit. During the service vocal solos were very beautifully rendered by Miss E. Parlee and R. G. March.

REV. J. DUNLOP

At the Armistice and Thanksgiving Service held in Charlotte Street Baptist church, Rev. James Dunlop preached a very eloquent sermon, taking as his text, "Let Us Forget."

Special services were held both morning and evening in the church. In the morning the message was a sermon on the "Sin of Ingratitude." The services both morning and evening were largely attended, and the choir, under the leadership of Stanley Stone, very ably rendered a special program of Thanksgiving music.

The soloist for the day were Mrs. A. E. Logie and Mr. M. McLean. The collection for the two services amounted to \$223.90.

**AGRICULTURISTS
MEET AT DIGBY**

John O. Turnbull Re-elected
President; F. W. Nicholls,
Secretary-treasurer

DIGBY, Nov. 8.—The annual meeting of the Digby County Agricultural Society was held in the Council Chambers of the Town Hall Saturday afternoon, and a good attendance of members were present from the sections of the municipality most interested in farming. The president, John O. Turnbull, presided.

The secretary-treasurer's report showed the society to be in a flourishing condition, both financially and in point of membership.

CROP REPORT.

The report on the crops for the year showed that in field roots the potato easily led with an excellent crop, practically free from blight and rot. In some parts of the county there was a very good hay crop, but the pastures were affected by the dry weather in the latter part of the season. The apple crop was almost a failure, great damage being done to the apples by the railroad worm, and a large part of the crop ruined thereby.

All field roots were fairly good except the turnips, which were affected with "damp rot."

For breeding purposes the society have two thoroughbred Guernseys and three thoroughbred Jerseys in different sections of the municipality.

OFFICERS CHOSEN.

At the election of officers, John O. Turnbull was re-elected president; F. W. Nicholls re-elected secretary-treasurer, and James Trevo, of Brighton, vice-president. The directors are D. C. McKay, Jacob Trask, and Joseph Nichols. Dr. McGreggor, Jonathan Lettenley.

Frank Gates was chosen to represent the society at the annual convention of the Nova Scotia Agricultural Society, W. W. Delong was substitute delegate.

Deaths

Miss Edith May McBeath

Miss Edith May McBeath, teacher of Central school, passed away suddenly at her home, 16 Orange street, Sunday. She had apparently been in her usual health up to within a few minutes of her death. She had partaken of dinner with the members of the family and went to lie down for a short while and died almost immediately. Dr. D. C. Malcolm was summoned but she did not survive for many minutes.

The terribly tragic suddenness of her passing was a great shock to her relatives and many friends. She was born in Saint John and had resided here all her life. She was a daughter of the late Allan McBeath and Mrs. Lowell B. McBeath and besides her mother she was survived by two sisters and three brothers. The sisters are the Misses Mary E. and Helen B., both at home, and the brothers are E. Barron, of Fall River; Allan Randolph, of Montreal, and Harry G., of this city. The funeral arrangements had not been completed last night.

Edward T. Rourke

The death took place at Savannah, Ga., on the fifth instant, of Edward T. Rourke, formerly of West Saint John. He is survived by four daughters, Mrs. Sappington, of Baltimore, Mrs. Gillespie and Mrs. Jarvis, of Savannah; Mrs. Gallagher, of New York, and four sons, John, of Sydney, N. S.; Edward of West Saint John; Robert, of Seattle, Wash., and Walter, of Savannah. The body is being brought to Saint John where interment will be made on Wednesday.

Mrs. Maude Patten

The death took place at the home of her daughter, Mrs. C. E. Crosby, of Hebron, Yarmouth County, last evening of Maude, widow of John S. Patten, of this place. She was 80 years of age today and her passing followed a two weeks illness of paralysis.

Mrs. Patten was the last surviving daughter of seven of the late Captain Wallace Flint, of Yarmouth. She is survived by three daughters, Mrs. J. C. Redding, of Alliston, Mass.; Mrs. Dr. D. P. MacMillan, of Chicago; and Mrs. Crosby with whom she resided.

The funeral will be conducted by Rev. R. E. Dooley, pastor of the Hebron United Baptist church, of which for very many years Mrs. Patten was a devoted member.

Mrs. M. Benson

DIGBY, Nov. 8.—There passed away at Somerville, Mass., on Wednesday October 27th, Muriel, wife of Harry Benson, formerly of Bear River, Digby County, N.B., and residing for the past few years in Somerville, Mass. Benson, who was a daughter

of Mr. and Mrs. Harry Purdy, was only 22 years of age. She was operated on for appendicitis, but failed to rally. Her mother, called to Somerville by the serious illness of her daughter, reached the bedside too late to see her daughter alive. Mrs. Benson, while in Bear River, was a very active member of the United Church, a member of the choir, the Sunday School and of the various societies for entertainment.

Can You Remember
'Way Back When--

A merchant bought space in "the Paper" because his friend Bill Smith was the publisher, and Bill said his paper was read by "nine out of every ten families in the town"? Purely a friendly transaction with no thought of whether Bill's statement was open to question or his judgment in error.

Today the merchant wants to KNOW what returns the publication will give as an advertising medium. Competition has forced him to buy space as he buys potatoes or sugar—not because the seller is a friend of his, but because he knows he will get the full quantity that is paid for, and that the expenditure will bring profitable results.

In other words, selecting mediums for advertising has passed from a haphazard to an accurate scientific process. This has been brought about through A. B. C. REPORTS.

The AUDIT BUREAU OF CIRCULATIONS was organized to provide verified circulation data for the use of advertisers, etc. It now has a large force of auditors who cover Canada and the United States once a year auditing the circulation reports of over 1,400 publisher members.

A. B. C. REPORTS containing full data on all circulation questions furnish the only means by which YOU can be positive that YOUR advertising is reaching the prospective buyers YOU desire.
