Mother's Birthday
What shall you give her on her birthday? You can hardly imagine how much more she will appreciate what you give on her own birthday than what you give her on Christmas day. The knowledge that the gift was inspired by love, and was distinctly personal, represents a value far greater than the Christmas gift, which is inspired by custom and habit, and is one of many gifts to as many persons.

In our store are many articles that will please her. A nice piece of Cut Glass or of Silverware, or something for her personal use.

You will find numbers of pieces of Jewelry that will suit your taste and your purse.

THE LAW ON CLOTHES
The law of our country, to say nothing of the climate, demands that every man, woman and child shall wear clothes. You can meet all the requirements of the law with a 15c cotton sack or you can put on ten times as much as the law required. It is well to avoid both extremes, but you get beyond "essentials" when you insist on quality.

The 20th Century Brand tailors never claim to make essentials. They make and always have made the better kind of clothes only. Clothes that in addition to protection, comfort, and wear combine the great qualities, perfect fit, and absolutely correct style. Gilmour's are showing the new 20th Century spring styles and an inspection of them is a liberal education in clothes.

The total sales of the "SALADA" Tea Company last year amounted to as much as the combined totals of the first twelve years they were introducing Ceylon Tea into America. Their increase alone in 1913 over 1912 amounted to more than the total business done during the first five months of 1914 their rate of increase was the largest they have ever had.
