TWO P. E. I. MILLS ARE DESTROYED BY FIRE**Creamer's at Souris and Schurman & Co.'s at Summerside Are Burned—Loss is \$15,000**

(Special to Times)

Charlottetown, P. E. I., Jan. 27.—Early this morning the woodworking steam mills of Bernard Creamer, at Souris, were destroyed by fire. The loss is \$8,000, with no insurance. The origin of the fire is unknown. Finished work in the mill included an altar worth \$1,000. Nothing was saved.

This was the second mill burned this year, the first being that owned by M. F. Schurman & Co., at Summerside. It was burned Wednesday night, with loss of \$7,000.

Dryden & Rich, appointed by the federal government to investigate the sheep industry throughout Canada, held three meetings on the island and left today for Pictou. The evidence showed the industry here capable of great expansion.

CAPT. BRANNAN, VETERAN OF THE RIVER, IS DEAD**Was Sixty Years in Steamboating on the St. John and Was Widely Known—An Envious Record**

Captain Charles W. Brannan, one of the pioneers of steam boating on the St. John river and the oldest captain of river craft, died at the home of his son Harry Brannan, West End, this morning. More than eighty years of age, Captain Brannan had been in failing health during the last year, but was able to be about and only recently paid a visit to the North End.

In spite of his advanced years he was a remarkable man, of much strength and fine physique.

He was born in Sussex and was brought up on a farm. Early in life he entered the employ of the Union Steamship Line and worked his way to the post of captain. In his sixty years in steamboating he was widely known all along the big stream and its tributaries.

He ran the main river between St. John and Fredericton and was for a time on the upper river, running to Grand Falls. Older residents will remember him as captain of the steamer Antelope of the Union Line but his last steamer was the May Queen. A careful navigator with an excellent record, he was able to look with pride over his years of service.

There were no railways when Captain Brannan served his time and the passengers entrusted to his care in those days were numerous. He was a river pilot of remarkable experience and great ability. His genial manner made him exceedingly popular. He carried on a considerable trading business during the winter months and was consequently well known along the river counties. In 1884 he, in conjunction with others, bought the steamer May Queen and continued the business on the Grand Lake route until a short time ago when he and his sons withdrew from the route. He had a very wide circle of friends who will regret to hear of his death.

Captain Brannan is survived by two sons George F. Brannan of the North End and C. Harry Brannan, 199 Charlotte street, West End, and two daughters, Mrs. H. R. McLellan, and Mrs. F. W. Tapley of Douglas avenue.

PARTITION OF THE GILBERT ESTATE**Friendly Suit is Begun Before Mr. Justice McLeod—The Turnbull Co. vs. Segee**

Summons for direction granted by Mr. Justice McLeod in chambers this morning on behalf of the plaintiff, Thomas Gilbert, Elizabeth Wilson and Elizabeth Wilson, as trustee, under will of the late Bradford S. Gilbert. The summons is taken out by Barrhill, Ewing & Sanford and asks for an order setting the date of serving affidavits, pleadings, place of trial.

This is the first step in the partition suit for the division of the Gilbert estate property which reaches from the Marsh Creek out to the one mile house on both sides of Marsh Road, also out the West-end road as far as the Red Head road. This suit is a friendly one in order that the land may be equally divided. M. G. Teed appears for trustees of the Gilbert estate; L. P. D. Tilley for Jas. S. Gilbert and Mrs. Elizabeth Wilson.

In the case of the Turnbull Estate Company vs. Segee, W. A. Ewing applied to Mr. Justice McLeod for permission to enter interrogatories.

On application of M. G. Teed, K. C., on behalf of the liquidators of the Alexander Turnbull Co., Limited, of Woodstock, Mr. Justice McLeod made an order that the Bank of Montreal, on account of being a sole mortgagee, be made a party to the suit and enter an appearance in the meantime the summons for directions to stand over.

The Bank of Montreal and the Royal Trust Company claim to be secured under a trust mortgage and a bond issued to the extent of \$100,000. A. H. Hanington, K. C., and George W. Upham, M. P. P., of Woodstock, are real liquidators. Fred R. Taylor appeared for the Bank of Montreal and Royal Trust Company and L. P. D. Tilley for a judgment creditor.

ABOUT READY FOR REFINERY**Work to be Started Before March 19, the Time Specified**

It is understood that plans are now complete and everything ready for making an early start in the direction of the new sugar refinery on the property acquired from the city and federal government, near the Ballast wharf.

According to the agreement entered into with the common council the work must be commenced not later than March 19. It was said this morning that Mr. Durant was prepared to start within the specified time and that a structure would be built according to the plans drawn up some time ago, when a sketch of the building appeared in this paper.

FIRE IN CORNWALL MILL**Brigade Called Out at 4 O'Clock This Morning—Loss \$400 or \$500**

It is estimated that damage amounting to between \$400 and \$500 was done this morning about 4 o'clock in a fire in the drying room of the Cornwall cotton mill, Wall street.

The fire was seen by the night watchman, and he sounded an alarm from box 231. After nearly an hour's work the firemen had the blaze extinguished. The fire was quite hard to get at, being, plecton and yarn which was stored in the room.

The origin is not known. The watchman had made regular round, including the passing of the dry shed, and after passing had gone into the mill, where, from a window he noticed the flames in the drying room. The roof of the latter was practically the only portion which was of wood. Insurance is carried in several companies.
