MARKET SQUARE AND VICINITY IN OLDEN TIMES IN ST. JOHN

In the accompanying picture, a glance is sufficient to identify a section of King street, North wharf, and Market slip, although the picture was taken in the early sixties. As early as that time, it is noted that the slip was fenced at the western side of Market Square, in much the same manner as it is yet the case. In one corner is noticed the old fashioned street gas lamp, which has been replaced by the more up-to-date electric.

STRIKE MAY DELAY SIR WILFRID AND CANADA'S TROOPS

(Canadian Press) Liverpool, June 30.—Despite all concessions made the strike situation showed no improvement today. The dockhands are now demanding a guarantee that the wage advances will not be merely temporary. The shipping federation threatens to take steps that will result in laying off half the shipping tonnage of the country.

NOT DECIDED BUT HAS LITTLE HOPE TO SAVE COLLIERY

(Special to Times) Halifax, N. S., June 30.—The water had risen to within 200 feet below the No. 2 level in the Port Hood colliery mine on Wednesday night. Deputy Commissioner Donkin has received one report of the advance of the water but he is not yet able to come to any conclusion. According to his figures the water should rise two feet an hour on the slope if there is no diminution in the intake. If it is less than this he would conclude that there is a lessened inflow, after allowing for the greater pressure of water within the pit.

HAY CROP IS SHORT

(Ontario Will See Reduction to a Third or a Half of Normal) Toronto, Ont., June 30.—(Canadian Press)—The hay crop in Ontario is short. Dry, hot weather in May following a winter that killed out clover in many parts of the province, made a marked decrease in yield. Reports indicate a reduction from normal to one-third to one-half. Cutting was begun in southwestern Ontario two or three weeks ago and next week will see harvest in full swing in all parts of the province.

(Toronto, June 30.—(Canadian Press)—Archbishop O'Connor died this morning at a little after 5 o'clock at St. Basil's Novitiate. He had been sick for the last three years from Bright's disease and his end was expected at any time.

DR. HETHERINGTON LEFT NO WILL

In the probate court today the matter of the estate of Dr. Geo. A. Hetherington came up. He left no will. There are one brother, Robert, of the Parish of Johnston, Queens county, farmer; and another, Dr. Elmer M. Hetherington, of Kentville (City, Missouri); and a sister, Margaret A., wife of Albert R. Jones, of Kings county, farmer. On the petition of the older brother, Robert, he was appointed administrator. The real estate consists of a farm in Johnston, of the value of \$800; personal estate under \$3,000. Thomas P. Regan, is executor.

SEVEN MEN ARE BURIED WHEN BUFFALO BUILDING COLLAPSES

(Buffalo, N. Y., June 30.—Seven workmen were crushed to death and seven others seriously injured this morning in the collapse of the roof and other portions of the Buffalo Water Department's new pumping station. The men killed were working in the pit of the pump house and were buried beneath hundreds of tons of steel, brick and mortar. Most of the injured were at work on the roof. About 200 feet of this suddenly fell in, from what cause has not been determined.

THE TIMES' NEW REPORTER

NOT TOO MUCH NOISE Mr. Peter Binks suggests that the New Brunswick Tourist Association get the addresses of all the millionaires in the United States who are in any way connected with trade, and send them literature about the cool climate of this area and provinces. They are beginning to find it somewhat warm at home, and might be very glad to hear of a cool and quiet place where nobody would wish to enquire: "How did you get it?"

CANADIAN BURNED AT THE STAKE

Mexican Bandits Put Robert Swazey To Death By Fire

HAD TREASURE SECRET

(Canadian Press) Shawnee, Oklahoma, June 30.—Robert Swazey, a Canadian, was burned at the stake by Mexican bandits near Fort Sumner, N. M., on June 15, according to a letter received yesterday from Mrs. Emma Bingham, mother-in-law of the dead man. Swazey was killed because he refused to reveal the hiding place of a large amount of money that had been left in his care by a Mexican railroad which employed him, the letter said. Mrs. Bingham has advised the British government of the case.

W. B. FARRIS HAS A PART IN GREAT PROJECT

(Correspondence on the Columbia River Navigation Scheme—A Letter From Hon. Mr. Pughley) Nelson, B. C., June 30.—W. B. Farris, proponent of the Nelson branch of trade of the Columbia river navigation scheme, has received a letter from Hon. William Pughley, minister of public works, stating that the proposal for Canadian cooperation with the United States government in the matter of making the Columbia navigable in its upper course, is receiving the government's consideration, and that he hopes to have provision made for an early survey of the Columbia from the Windermere to the international boundary.
