

BIBLE CLASS.

The Bible Class continues its important work, with gratifying results. The Roll contains the names of about one hundred and thirty young men and women. Some elder persons, also, by their attendance, encourage the pastor in this most interesting and hopeful part of his labors. Believing that there is an increasing necessity, in our day, for the apostolic injunction to "give attendance to doctrine," the minister, with the cordial concurrence of the class, has selected the Confession of Faith as the subject of study for the current year. He is much encouraged to observe the marked interest and benefit with which every member of the class continues to engage in this particular branch of instruction.

During the eight months' term of the class, the offerings have amounted to some \$80.00; out of which there have been apportioned to the College Fund, \$20.00; Home Missions, \$20.00; Foreign Missions, \$20.00; Point aux Trembles, \$15.28.

The Officers of the Class, besides the Pastor, are—
 SECRETARY-TREASURER—Mr. Donald McDonald.
 LEADER OF MUSIC—Mr. Robert Morrison.
 ORGANIST—Miss Kate Crone.
 USHERS—Messrs. D. McDonald and John Dobbin.
