"DELIVERY LIMITS." Railway Commission Gives Judgm in Case of Express Companies.

Ottawa, April 4.-Dominion railway ssion has just issued an order in regard to the much complained of 'delivery limits" of express companies. In the past the companies have set Plans of U. S. Navy Furnished up areas in cities and towns in which they will collect and deliver parcels. People living outside those areas, and yet within the boundaries of municip alities, have for years given voice to these grievances.

The commission, in giving judgment after hearing both sides, makes colle boundaries compulsory, starting June
