

St. Catharines, June 10th, 1882.

To the Grand Chancellor K. of P. of Ontario:

DEAR SIR AND BRO.:—As District Deputy Grand Chancellor for the District of St. Catharines, I would most respectfully submit the following, viz:

1st. I am happy to state that Charity Lodge, No. 20, is prospering most favorably, and that the officers and members are working very harmoniously together.

2nd. That in my opinion the exchange of visits between Charity and the other Lodges, has been of the greatest benefit to us as a lodge.

3rd. That the visits which have from time to time been paid by the head officer and other members of the Order, has most decidedly helped us.

Wishing that your visit in this city may be a pleasant one,

I am, fraternally yours,

W. DOUGAN, M.D.,

On behalf of the Committee in charge, and the people of Detroit, we tender you, and through you the Order in Ontario, a cordial invitation to be present in numbers, and can promise you a hearty welcome.

There is a large attendance promised already from different sections of the country, and we are preparing accordingly. We desire to make the parade on Tuesday, August 22nd, the finest display of the Order; and we ask the Lodges of Toronto, and the drill corps, if any, to turn out in num-
