CARD.

To the Electors of the County of Northumberland.

GENTLEMEN: At the request of a large number of gentlemen who have presented me with a Nomination paper numerously signed by the electors of the different polling districts of the County, I have decided to allow myself to be put in nomination as the Candidate of the Liberal-Conservative Party at the ensuing election to be held on the 5th day of

To my friends throughout the County who have thus promised me their support and influence, I return my sincere thanks for this expression of their confidence in me, and I beg to assure them and the whole of the electorate of the County that in accepting the nomination so kindly presented I shall use every endeavour to win for our party a grand victory and place our County in line with the government

For many years important interests touching our County's advancement and progress have been neglected, with the result that NORTH-UMBERLAND TO-DAY REQUIRES MORE THAN ANY OTHER COUNTY IN THE PROVINCE, a Representative in thorough accord with the Government and in touch with the important interests of the County.

Our late Representative, being a Non-Resident, is not immediately interested in the further advancement of the County, and this, together with his open hostility to the administration, has left Northumberland in the unfortunate position she occupies to-day. As your representative I will take every occasion to press upon

the notice of the government the fact that our interests have not alone been neglected in the past, but they must be attended to in the future-I will demand from the Government that a fair share of the public moneys be expended on such important works as—
THE CONSTRUCTION of the ESCUMINAC BREAKWATER— THE BULLDING OF NECESSARY WHARVES ON THE NORTH AND SOUTH

SIDE OF OUR RIVER from Chatham downwards for the convenience of

THE ERECTION of a PUBLIC BUILDING in the Town of CHATHAM, for Postal, Customs and Revenue purposes, better adapted to the wants and importance of the Town than the present unsightly and unsafe one-THE OBTAINING of GOVERNMENT AID for RAILWAYS as feeders for the I. C. R., and the COMPLETION and EXTENSION of the INDIANTOWN Branch-and generally such other matters of importance as our public

necessities require In view of the short space of time between this and polling day, it will be impossible for me to visit each one of you. Latherefore request that the Electors of the County will give their earnest support and co-operation, and work earnestly for me from now until the close of the polls. In the meantime, I will address such public meetings throughout the different sections of the County as time and opportunity will

I am yours most respectfully, M. ADAMS. Newcastle, 9th February, 1891.

THE BALLOT AND HOW TO USE IT

Following is a representation of the ballot to be used at the different polling places in Northumberland on Thursday, 5th March, should Mr. Mitchell contest the election. It will be, in form, size and general appearance, as shown below, with exception of the cross mark, (X) which each elector is, himself, to put upon it after the presiding officer has given it to him, and he has retired to the private compartment for that
