

brethren, long at variance—now at peace, had bowed together at the very altar, and had called upon God, as men only can when filled with the presence and power of God, to ratify and seal with his own divine love, what had been accomplished.

"Praise God from whom all blessings flow," was sung by these brethren to the tune of "Old Hundred," as we scarcely had ever heard it sung before; sure enough to God belongs the praise.

Having enjoyed two very interesting services on the Sabbath at Dunfries, and collected \$13 for Home Missions, the ministers, most of the delegates, and others, crossed over the river to the Queensbury field, and there upon the bank of the grand old St. John, were assembled many witnesses, while Bro. McGregor "buried with Christ in baptism" two happy believers in Jesus, who, at the close of the evening service, were received into the full fellowship of the Upper Queensbury Baptist church. A collection for Home Missions was then taken up, amounting to \$4.57, and the quarterly meeting adjourned to meet with the Baptist church at Manservey in September, 1888.

NEWS FROM THE CHURCHES.

WILMOT CHURCH, ANNO. CO., N. S.—A year has passed since the Rev. G. F. Mainwaring took the pastorate of this church. Our pastor is a very faithful and earnest worker in the vineyard of the Master. The people have enjoyed the privilege of listening to a series of powerful and touching appeals during the year; and, we believe, to lead them up to a higher plane in christian life. Though the year has not been fraught with as large results as we might wish, we are encouraged in our work. Our churches are filled with Sabbath school with very attentive audiences. Our prayer and conference meetings and communion occasions are as well attended as they have been for a long period of years. We are pleased to report an increase of seven by baptism. These additions have been made not only the excitement of revival seasons, but as a result, we believe, of the earnest appeals from the pulpit; and we believe more will follow—such anxious seekers are found among those outside of our regular body. We regard this as much to be desired. Special services, when the church, by many, is expected to put forth extra efforts and then relapse for the balance of the year. May the Spirit of God breathe upon the eloquent and stirring appeals of our pastor, so that he may rejoice by seeing a steady increase to the church. At an annual meeting a most unanimous invitation was extended to the pastor to remain with us—was as—was accepted.

W. M. A. S.—A Women's Missionary Aid Society was formed at Port Hillford, Guys. Co., N. S., on June 6th, 1888, by Mrs. Armstrong. The officers are: President, Mrs. Allen Root; Vice President, Mrs. Peter McConnell; Mrs. John Hunt; Secretary, Mrs. I. L. Armstrong; Treasurer, Miss M. Hunt.

DORCHESTER.—The Rev. F. M. Young, after holding the pastorate at Dorchester for two years, during which thirty members were added to the church, left us last night for Boston. Until last Wednesday it was hoped that Bro. Young would withdraw his resignation and remain with us, as we all felt that he was the right man in the right place, and we will do all we can to induce him to return. So great was the anxiety to retain Bro. Young that a large surplus over and above the amount due him on his salary was poured into the treasury of the church within the last week. He preached his farewell sermon at Fairview in the morning of last Sunday, and in the afternoon and at the corner in the evening. The church at the corner filled with people from every part of the field, and after the sermon was over Bro. Young was detained for some time by those anxious to have a final shake of his hand. Bro. Young while in Dorchester worked faithfully in every moral department of society, he never identified himself with any party in the church or community—in the words of his last text, he determined to know nothing among us but Christ and him crucified. The church has sold the mission house, and another one will be provided as soon as our finances will allow, but in the mean time

we can find a comfortable habitation for our pastor. There is lots of work here for whoever the Lord sends among us. Cox.

BUTTERFUT RIDGE.—Since my last note, we have had the pleasure of listening to several profitable sermons, by Rev. B. N. Hughes. Last Sabbath morning Bro. Hughes preached to a large audience; text, Philippians 2: 12; discourse very earnest and edifying. In the evening Bro. C. W. Corey, of Acadia College, preached from Matthew 19: 21, which was highly spoken of. The Sabbath-school is anticipating a concert, to raise funds for home missions.

NORTH BROOKFIELD, QUEENS CO., N. S.—Since last reporting I have baptised, and received into the fellowship of Brookfield church, three.

LOCK LEONARD.—Unexpectedly I came to this place. Here I found faithful workers in the cause of Christ, and although there is no Baptist church here, yet, we believe that the time is not far distant when there shall be many to hold up the banner of the Cross. Our hearers were made glad last Sabbath as we witnessed a dear sister, who in obedience to the Master's command, went down into the water and was baptised by Bro. Ganoog, before many witnesses. After baptism we went to a hall, which is almost completed and is being fitted up for the purpose of holding public worship. Here we listened to a very powerful discourse delivered by Bro. Ganoog, at 3 p. m. We had a prayer meeting, and we believe that the Holy Spirit was present, many came out boldly for Christ, and others rose for prayer. We closed the evening meeting to meet at 7.30, and indeed the last meeting was the best. It is true "Where the Spirit of the Lord is there is charity." At the close of the meeting an invitation was given to any who desired to become followers of the blessed Master to rise to their feet; quite a number rose, desiring the prayers of God's people. Christian friends, remember this people in your prayers.

NEW GLASGOW.—We are getting along nicely in church matters. Congregations good. Prayer meetings very interesting and Sabbath-school increasing. A. V. D. PORTAUFQUE.—Baptism at Portaufque June 17th, work progressing all along the line. Five Sunday-schools register 200 combined. Sowing in hope of reaping.

GERMAIN ST.—Bro. Gates reports one baptism on Sunday morning and the loss of fellowship given to five persons in the evening, four of whom were received into the church by letter.

NICTAUX.—The church here is without a pastor. Bro. Clark is still detained in England, owing to continued illness, and the time of his recovery seems quite uncertain. The pulpit has been vacant for about a year, except as it has been filled by visiting brethren. The state of the cause and church shows us the necessity of securing the services of some efficient minister to labor with us that the church may be restored, by the blessing of God, to its former prosperity. We would therefore be pleased to hear from any of our ministering brethren who contemplate changing their field of labor.

F. MILLS CHURCH, CLERK.

LAKEVILLE, LUN. CO., N. S.—Bro. James recently baptised two mothers of families in this place, not long since. Others are enquiring. He asks for the prayers of the brother and sisterhood for the field.

PERSONAL.

The Rev. F. Potter has accepted an unanimous invitation to the pastorate of the church at Osborne, Shelburne Co., N. S. Will correspondents please take notice. May much blessing attend our brother's ministry in his new field.

We learn that Bro. Good started for California yesterday. He hopes the change may benefit his health which is very poor. May he be guided and blessed and be brought back to the work with us, if it be the Lord's will.

Bro. W. P. Anderson received a very kind address from his people at Newcomb, Grand Lake, on the occasion of his resignation of the pastoral charge of the church, which he has held for over four years. It refers to the numbers saved and added to the church and wishes our brother God-speed in his new work.

Bro. E. J. Grant, of Dartmouth, has accepted a call to the pastorate of the Albert St. Baptist Church, Woodstock, N. B. Bro. G. has a fine record as a persistent and wise worker. We have no doubt he will be blessed on his new field.

NOTICE.

Will every church sending delegates to the New Brunswick Eastern Association see that there is forwarded to me, during this week, a list of the delegates attending the Association from each particular church; where there is any uncertainty of the church doing this, individual delegates had better forward me a card with their name and address thereon.
