YESTERDAY'S CARD TODAY
AT MOOSEPATH

WORLD SERIES WILL BE LATE
IN STARTING

Owing to yesterday morning's heavy downpour the management of the running races at Moosepath Park called off yesterday afternoon's card. The track was too heavy. The same excellent card has been provided for today, however, and a record breaking crowd is expected to be in attendance.

Chicago, Ill., Sept. 6.—The 1910 world's championship baseball series will not be played at an earlier date than last year. It was learned today that President Charles Murphy, of the Chicago national would not ask President Robinson, of St. Louis, to

WILSON GOES WITH PEASLEY

St. Stephen Catcher Seen Here in Two Games Signed on With Hughey Jennings --- Kittredge Was at Woodstock

One of the biggest baseball deals pulled off in the Maritime Provinces in years, was completed yesterday when George Wilson, the snappy Maine backstop, was named the chief protector for the St. Johns in the last two games of the series with the Clippers signed a contract with Joe Page, of Montreal, with Hughey Jennings' Trainers, and is now on his way to Detroit where he will be given a thorough tryout this fall. The news of Wilson being signed with the Detroit club will be given great interest by baseball men throughout the province. His work here behind the bat was favorably commented upon by the wise ones. He possesses a clean snappy throw to second, which made stealing bases a dangerous adventure, and showed a happy knack of clouting the ball hard and often.

Peasley Gone.
Many rumors have been in circulation lately about the now somewhat famous Peasley-Detroit deal. Many sporting men have declared that Malachi Killridge the Detroit scout, never even saw Woodstock, much less heard of Peasley.

It turns out, however, that Peasley has already left for Detroit and is due to report to Manager Jennings today, who will give him an immediate tryout. Peasley, however, was not signed by Killridge. The entire deal was put through by Joe Page, who last year offered the young southpaw to the Eastern league. Peasley at that time refused the offer made him by the Montreal management. This summer Mr. Page got into communication with Navin, the president of the Detroit club with the result that Malachi Killridge was sent to Woodstock to see Peasley work. Some time later Mr. Page received a communication from the Detroit club president to the effect that their scout had reported favorably regarding the Woodstock twirler and empowering him to sign on Peasley at a flattering stipend.

Page then put through the deal, with the final result that Peasley is by this time gazing at the tall buildings of the Michigan city.

That Killridge who is regarded as one of the best baseball critics in the scouting game must have been impressed with the southpaw's work can be gleaned from the fact that Navin immediately wired Page asking him to cop Peasley at a fat price.

Fans all over the province will watch this young pitcher's work with great interest, who with time and seasoning will undoubtedly make good in local company.

It will be interesting news for local fans to learn that Mr. Page is at present negotiating with the Detroit management with the object of securing the services of another well known local player.

Arthur Finamore will report to Newark in a few days, a telegram being received in the city last evening from an eastern league man asking that he report to the club immediately. This deal was also put through by Mr. Page.

advance the date of his closing games in order that the championship series might be played earlier.
The national league season finishes Oct. 15, with Chicago and St. Louis playing. On the Tuesday and Friday preceding the closing date both teams have open dates and it had been proposed that these dates be filled, which would bring the close three days earlier. Robinson has been quoted as saying he was opposed to advancing the dates.

CHARTER OAK RACES CLOSE

Joe Boy and Bira Win Grand Circuit Races in Fast Time ---Brownette Only Gets One Heat.

Hartford, Conn., Sept. 7.—For the first time since the opening of the Connecticut state fair on Monday, weather conditions this afternoon made it possible to run some of the grand circuit races at Charter Oak Park. The 2.12 pace and the 2.14 trot were won respectively by Joe Boy and Bira in straight heats.

The other big feature, the biplane act of Frank Coffey, proved a disappointment owing to engine trouble.

Weather conditions were ideal for the fair and about 10,000 were in attendance. The wind and sun quickly dried the track which was a veritable bog after last night's downpour. There were five starters in the first heat of the 2.14 trot, which Orlean and Husky Harry broke badly on the half mile, and both were distanced. Bira and Bernaldo were making a close race of it in the stretch when the latter broke and Bira went under the wire by a neck. The second heat was also close the three horses being bunched until a short distance from the finish when Bira let out and won by a narrow margin, with Bernaldo second and Olive P. third. The 2.12 pace with only three starters, was easy for Joe Boy, Mike Wilcox taking second money and Dr. Fox third.

The racing committee has decided upon the following programme for Thursday: 2.20 trot; 2.09 Charter Oak \$10,000 stakes; 2.05 pace and 2.11 trot. If the track is in good condition as is expected, Uhan will try to break the track record driven to a wagon in a workout mile late today. Uhan made the last half mile in 1.04 1/2 Hills Grove Record.

Hills Grove, R. I., Sept. 7.—A new trotting track record was established in the third blue ribbon meet of the season here today, when Belvasia owned by D. W. Cayton, of Foxboro, Mass., negotiated the third heat of the 2.23 stake trot in 2.12 1/4, the fastest heat ever trotted over the track.

Crash was a favorite in the 2.21 trot, with Carrie R. well thought of, and the pacer made a great battle. Crash broke three times in the last heat and trailed the field making it necessary to carry the race over for tomorrow because of darkness. Foote Prince owned by C. E. Pitman, of Carmel, N. Y., won the 2.17 pace in a gruelling finish with Kentucky Belle, the race being unfinished yesterday.

O. G. Camp, of Waterbury, Conn. took first money in the 2.27 pace with Oliver Direct. The favorite, Lady Laurel, made the going in this race for the place.

One Heat For Brownette.
Lewistown, Maine, Sept. 7.—The features of today's racing at the Maine state fair was the 2.14 pace which was unfinished. Every heat was a fight and pretty driving was shown. Knoff B. won the first two heats but Brownette took the third, winning out in the stretch. Higgins won the 2.40 trot in straight heats and Prince Alder took the 2.35 pace.

LONGBOAT LOST BUT RAN IN HIS OLD FORM

Abbie Wood, of Montreal, defeated Tom Longboat, the Indian crack, in a fifteen mile professional race at Atwater Park Monday afternoon. There was less than thirty feet between the pair when Wood raced over the finish line. Not more than sixty feet separated the runners at any stage of the race, and until the last lap they ran in close company, with first one and then the other in the lead.

Wood's time for the fifteen miles was 1 hour, 28 minutes and 5 seconds. Longboat finished fresh as a daisy and seemed to have regained his old form. He led for a greater part of the distance and was beaten only in the sprint.

CON O'KELLY HAD IT ALL HIS OWN WAY

Utica N. Y., Sept. 6.—Con. O'Kelly, as aspirant for heavyweight honors, was so much better than Joe Coyne of Pittsburg, that the bout scheduled for 10 rounds was stopped in the third round here tonight after Coyne had taken terrible punishment and had been knocked down three times.

Nickel Attracting Thousands of Strangers.
A large percentage of exhibition visitors are taking in the Nickel's fine programme these days also, and yesterday despite the rain this popular theatre was packed to capacity afternoon and evening. Most of the patrons were strangers and everybody seemed thoroughly well pleased with the programme and the accommodations. In fact there was much surprise expressed that St. John could boast so thoroughly up-to-date a theatre of such ample capacity and at the same time produce so expensive a programme for the small price of admission. Today the Nickel will have Miss Tennessee Hall and will show five of the latest picture successes. The orchestra's programme will be replete with late American hits and a snappy programme a whole hour long is promised.

OLDFIELD SET NEW MARK FOR MILE ON TRACK

Brighton Beach, Sept. 7.—Barney Oldfield, in his 200-horsepower Blitzen Benz, smashed the world's record for a one-mile circular track before 8,000 spectators here on Labor Day. In the first of the one-mile speed trials Oldfield tore around the eclipse in 50 2/5 seconds, clipping 2 1/2 of a second from the record made by Ralph De Palma at St. Paul. In his second trial the Benz again won first place with 50 4/5 seconds, but Oldfield not satisfied, got permission to attempt to lower his record, and to the amazement of the crowd, he covered the mile in 49 4/5, bettering his mark set earlier in the day by 3 1/2 of a second. So enthusiastic were the spectators after this performance that he had to take refuge in the paddock to avoid the cheering crush.

Charged With Theft
Yesterday morning Det. Killen arrested William J. Mahoney on the charge of stealing six sheep skins from John McDonald. The prisoner has served a term in Dorchester prison for stealing a stove from the ware house of the McClary Company and is a ticket of leave man. He was taken before the police magistrate about noon and pleaded guilty to stealing the skins and was remanded to jail.
