AFTER DOCTORS FAILED

Lydia E. Pinkham's Vegetable Compound Cured Her.

Midgie Station, N. B.—One can hardly believe this as it is not natural, but it was my case. For ten months I suffered from suppression. I had tried different doctors, tried different medicines, but none helped me. My friends told me I could go into a decline. One day a lady friend told me what your medicine had done for her, so I wrote you for advice and received your reply.

I started taking Lydia E. Pinkham's Vegetable Compound, and at the second bottle showed improvement. The most regular remedy in this world in my life, thanks to Mrs. Pinkham's medicine.

Please publish my letter for the benefit of the suffering. JOSEPH W. HICKS, Midgie Station, N. B.

Indian Head, Sask.—Lydia E. Pinkham's Vegetable Compound is indeed a boon to women who suffer from female ills. My health is better now than it has been in my five years of married life and I thank you for the good your advice and medicine have done me. I have spent hundreds of dollars on doctors without receiving any benefit.—MISS FRANK COOPER, Box 418, Indian Head, Saskatchewan.

The most successful remedy in this country for the cure of all forms of female complaints is Lydia E. Pinkham's Vegetable Compound.
