ASKED HER DRUGGIST TO GIVE HER SOMETHING.

She Had a Bad Cold, So He Recommended Dr. Wood's Norway Pine Syrup.

Mrs. James Warren, Edmonton, Alta., writes: "Just a few words in favor of your Dr. Wood's Norway Pine Syrup. A short time ago I contracted a bad cold, and tried several remedies, but had no good results. I asked my druggist to give me some good cough medicine he could recommend, so he told me to try Dr. Wood's Norway Pine Syrup, and I can safely say I have never tried anything like it. The first dose gave me relief, and I was completely cured of my cough before I had finished one bottle. It is the best cough remedy I have ever tried, and I can recommend it to everyone.

Obstinate coughs and colds yield to the grateful, soothing action of Dr. Wood's Norway Pine Syrup. It is a remedy without an equal for coughs, colds, whoopis, and all affections of the throat or lungs.

Dr. Carter has also recently posted an order of the board of education to have school flags flown over school-houses every fine day. Canadian cities have been prescribed as the text book for use by teachers, and knowledge of the subject will be required of applicants for licenses. The board of education has also ordered that a text book of music be prescribed, but the text has not yet been selected, and will be announced later. The chief superintendent has issued an official notice asking teachers throughout the province to cooperate with agricultural authorities in exterminating the brown tail moth.

Messrs. Freed, Hatt, N. Dougherty, J. Searies, J. Carter and Alex. Staples will be the Fredericton team going to St. John tomorrow for the bowling tournament.

JEMSEG CHURCH HAS FINE NEW BELL

Used for First Time on Sunday Last—Temperance Sermons in Churches—Roads in Good Condition.

Jemseg, Nov. 28.—The new bell, supplied by the C. S. Bell Co., Ohio, for the Lower Jemseg United Baptist church, was rung for the first time on Sunday last, for the afternoon service, and proved satisfactory. The bell is 34 inches in diameter, and weighs 500 pounds. The work of fixing the bell and completing the interior of the tower was done by A. G. Kustice.

Sunday last being World's Temperance Day, appropriate sermons were preached by the Rev. C. G. Fincombe to large congregations in each of the three churches. The pastor is attending a conference of cottage meetings in the pastorate. The first will be held on Thursday next at Deacon C. Dykeman's, Lower Jemseg.

Captain J. G. Gunter, of the tug Eldred, and James Colwell of the tug Joseph, arrived from St. John on Saturday last.

The heavy snowstorm of Saturday morning has rendered the roads fit for sleighing.

The health of Mrs. Henry Dykeman is not improving, though she still causes anxiety.

The many friends of Mrs. C. G. Fincombe will be pleased to hear that she is improving.

Arch. Purdy, the respected father of our school teacher, was seized with illness on Friday morning while at work but is now improving, though still confined to the house.

WHO WOULDN'T BE ARRESTED IN SIAM? But the Lady Police are all Old and Ugly—Take Care of Women of Bangkok.

(From the London Chronicle) Siam is one of the few countries which boast of a corps of women police. These women, known as the Amazon guard are all old and ugly. They wear uniform though they are not armed, their chief duty is to act as gate keepers of the inner, or women's palace at Bangkok.

They follow any stranger who enters the palace and remain with him until he takes his departure. They see that there is no mischief made and that no one makes love to the royal wives and concubines. Men who have business inside the palace—doctors, architects, carpenters, electric light fitters, etc., enter the palace freely, but are always accompanied by some of the Amazon guard. The police has some difficulty in recruiting these guards, as the work is hard and the pay poor, and the qualifications uncomplimentary.
